The Torrey Pines

THE TORREY PINES are found only within a very limited area near San Diego and Del Mar, California, and on Santa Rosa Island. They are unusual because of their peculiar cones, their very large needles and their picturesque growth.

The motorist traveling the Coast Highway between San Diego and Los Angeles passes through this interesting spot—which the city of San Diego has protected by an extensive municipal park.

Good roads abound in Southern California, and at convenient locations may be found service stations and garages where you can get Red Crown Gasoline—the uniform gasoline with a continuous chain of boiling points.

Look for the Red Crown sign on service stations and garages.

WOMEN GIVE OUT

Housework is hard enough when healthy. Every Cottage Grove woman who is having backache, blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to heed this Cottage Grove woman's experience:

Mrs. W. S. McCaleb, 747 S. 2nd St., Cottage Grove, says: "I always had weak kidneys and suffered with inflammation of the bladder. I had nervous spells and became run down and languid. I had no energy and often neglected my housework. The action of my kidneys was too frequent and annoyed me a great deal. I used Don's Kidney Pills for these attacks and they always helped me. Don's have never failed to relieve these ailments. I felt stronger and better in every way, my energy was restored and I was free from that tired feeling."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Don's Kidney Pills—the same that Mrs. McCaleb had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. apr18.
