look for them to return permanently within a short time.

FOR FARMERS OF OREGON

Lime for agricultural purposes may

now be had through the state hme board at \$4 a ton, f. o. b. Gold Hill. The freight rate will be approximately 25 per cent higher than the prevailing rate during 1919. This rate applies to carload lots of minimum of 30 tons. All orders should be placed through the secretary of the board, A. B. Cord-

ley, of Corvallis. The first 500 tons of lime produced by the board will determine the future Don't start what you can't stop! cost of the lime. The board believes Be careful with fire in and near the that it will be able to produce the cost of the lime. The board believes lime at \$4 a ton. Even though the The city treasury was enriched \$25 price would have to be increased 25 be far lower than the price of lime for agricultural purposes in other states, according to the "Rock Products"

magazine.

If you like the editorials, tell your friends about them, and help to make them bear fruit.
