"Here's Real Tobacco" says the Good Judge

That gives a man more genuine chewing satisfaction than he ever got out of the ordinary kind.

Smaller chew, lasts longer—so it costs less to chew this class of tobacco.

And the good, rich tobacco taste gives a world of satisfaction.

Any man who uses the Real Tobacco Chew will tell you that.

Put up in two styles:

W-B CUT is a long fine-cut tobacco

RIGHT CUT is a short-cut tobacco

Delicious Nut Muffins.

One cup whole wheat flour, 1 cup white or graham flour, one-half cup sugar, 1 egg well beaten, 1 cup sweet milk, 1 tablespoon melted butter, three-fourths teaspoon salt, 2 teaspoons baking powder, one-half or three-fourths cup chopped walnut meats. Sift flour, baking powder, salt and sugar twice, add well beaten egg, milk and melted butter and nut meats, beat well and drop into well greased muffin rings, which have been heated to smoking point. About 25 minutes is required for baking (quick oven). This recipe is also very good without the nuts, which makes it much more economical.
