SOCIETY

The flowering shrubs and huge trees on the lawn at the home of Mrs. Harry L. Grube made a beautiful setting for the garden tea given Friday afternoon by Mrs. Harry L. Grube, Mrs. Raymond Grube, Mrs. W. H. Enderly, Mrs. Gavin Dyott and Mrs. Schofield Stewart. The weather was perfect for an outdoor affair and the groups of guests who came and went during the afternoon thoroughly appreciated the seasonal plums of the hostesses. Delicious beverages and confections, together with courage favors, were dispensed daintily by the Misses Pauline Smith, Beulah Hanna, Fernine Violette and Lucile Davidson. Presiding at the serving tables were Mrs. J. T. Johnson, Mrs. Carey, Mrs. Buckley and Mrs. W. Frazier Johnson.

It was the happy thoughts of Mrs. R. A. Trask to invite a number of her friends, including the members of the M. P. G. club, Mrs. Geo. Matthews, Mrs. Charles Beidler and Mrs. R. A. Trask to spend Thursday afternoon at their delightful camp on Row River. The afternoon was spent in needlework and exploration, and in the evening the party was augmented by the husbands of the guests and a bountiful picnic supper enjoyed.

The annual Eastern Star picnic will be held on Row river this evening. The women of the party and cars for their transportation to the picnic grounds will gather at Masonic temple at 3:00 p. m. and the men and cars for their transportation will meet at the same place at 6:00 p. m. All members of the local Eastern Star and Masonic lodges and all visiting members will participate.

MOONSHINE GETS COTTAGE GROVE MEN INTO TOILS OF THE LAW

Sid Williams is in the county jail serving a sentence of 90 days for a fine of \$250 for manufacturing moonshine. Local officers, having previously located the Williams still, went to his place just north of the steel bridge on Row river, two miles east of the city, about 4 o'clock Sunday morning and captured Williams and O. L. Nichols, upon their arrival a couple hours later. A complete improvised distillery was found, together with 15 gallons of moonshine. Williams had been suspected of manufacturing and selling moonshine for some time past.

They were taken to Eugene Monday, where Williams pleaded guilty to a charge of manufacturing and selling moonshine. He said that he had made little money out of the venture. A complaint was issued against Nichols charging him with the same offense, but owing to the fact that Williams admitted ownership of the still and that Nichols had merely accompanied him there, this charge was withdrawn, it is said, and instead a warrant has been issued for his arrest on a charge of drunkenness on which he will be tried in the local justice court.

MARSHAL PITCHER LODGES QUARTER IN CITY BASTILE

Early yesterday morning Marshal Pitcher apprehended a quartet of young fellows driving a big Cole S. California license number 562,784, who had stopped here for breakfast. In their car was a Maxwell engine and a Willard battery. Pitcher didn't like the looks of the prospect he provided the young men with temporary quarters in the city bastille while he made inquiries.

It developed that the Maxwell engine had been taken from a car that had been wrecked and partly burned on the road near Canyonville, and the battery had been lifted from Rigo Brothers' garage at Roseburg.

The driver of the car gave the name of Russ Keith and said his home was at Taft, Calif. The others gave the names of Bruce Avery, Eugene O'Brien and Emory McKarran. O'Brien and McKarran claim to have been picked up by the other two and were being given a "lift." They will be held here until the arrival of Douglas county officers.

NO REASON FOR IT

WHEN COTTAGE GROVE CITIZENS SHOW A WAY.

There can be no reason why any reader of this who suffers the tortures of an aching back, the annoyance of urinary disorders, the pains and dangers of kidney ills will fail to heed the words of a neighbor who has found relief. Read what a Cottage Grove citizen says:

"Mrs. J. W. Clark, S. 2nd St., says: 'I can recommend Doan's Kidney Pills from experience. My kidneys were in a bad condition and I suffered with a continual dull, nagging backache. I had no energy and became run down. I had spells of headache and the action of my kidneys was irregular. Doan's Kidney Pills were recommended to me and I used them from the New Era Drug Store. They helped me wonderfully, strengthening my back and kidneys and benefiting me generally.'

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Clark had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. j115-22
