"You may be Sure" says the Good Judge

That you are getting full value for your money when you use this class of tobacco.

The good, rich, real tobacco taste lasts so long, you don't need a fresh chew nearly as often—nor do you need so big a chew as you did with the ordinary kind.

Any man who has used the Real Tobacco Chew will tell you that.

Put up in two styles

City Council

July 25.—Council met in adjourned session. Present, Councilmen Allison, Durham, Kime, Short and Veatch, mayor, city recorder, engineer and marshal.

Mr. Compton, of the Blake-Compton Co., said he would complete the heavy hauling of old Pacific highway probably this week and that he would repair that street, making good the damage done. He asked the cooperation of the city to the extent of the city furnishing the asphalt that it has on hand. He asked that the street committee join him in inspection of the damaged street and he would be willing to accept what the committee agreed was just and fair.

In response to inquiry as to best method for repair of Eighth and similar streets, Mr. Compton recommended a 16-foot hard surface of 1 1/2 inches of bituminous concrete in center and the repair of the side strips of oiled macadam.

Ordinance No. 472, providing for the improvement of Whiteaker avenue from Fifth to Ninth streets with hard surface pavement, was read first, second and third times and passed.

City attorney was instructed to draw up a notice for the enforcement of the grease trap ordinance and the recorder was ordered to send copies of the notice to all garages, butcher shops and hotels.

C. E. Umphrey was granted permission to tap the east Main street water main to secure water for the use in Perkins' park during the Oregon Conference camp meeting.

Bids for the construction of the sewer in First alley south of Main

street, from the R. R. grounds to Seventh street, were opened and found as follows: S. L. Godard and H. J. Jorgensen, lump sum, \$1052.50; W. L. Hubbell, lump sum, \$1100. The bid of Godard and Jorgensen was accepted.

City engineer directed to drain and repair west Main street, near P street, in accordance with the action of council of July 12.

Mayor reported that the ground at the old embankment at Row river, proposed to be secured from county for a city dumping ground, had reverted to private ownership and was, therefore, not available.

Council adjourned.

H. A. GALLOWAY, Recorder.
