C. G. TAKES ANOTHER GAME FROM YONCALLA

Champs Put Game on Ice in Sixth Frame of Hottest Game of the Season.

In one of the hottest games and on one of the hottest days of the season, Cottage Grove defeated Yoncalla on the local diamond Sunday with a one-run lead, the score being 4 to 3. This is the fourth time these teams have crossed bats this season, Cottage Grove being credited with three wins.

Callers was not quite up to his usual form, but tightened up in the pinches, and improved with every inning until in the final frame he was pitching air tight ball. He was credited with nine strikeouts to Davidson's six. Things looked bad for the champs in the second when Yoncalla had three men on with only one out, but General King, with one of his lightning pegs, nipped Turpin at first, and the side was retired a moment later when Smith went out at the same bag. The battle was a hammer and tongs affair up to the fourth, when the Yonks made their first run. In the fifth, with nobody on, Pohl evened the score by smashing a home run drive through the south gate, and in the sixth the champs put on their batting clothes and when the smoke had cleared away the score was 4 to 1. Hill reached first, forcing King at second and went to third on a two-sacker by Base; Hecker scored Hill with a bunt between the box and first, and promptly stole second; Green scored Base with an exact duplicate of Hecker's bunt, and also pilfered the second sack; Hecker scored on Callers' sacrifice and Pohl ended the inning by biffing a grounder to the pitcher.

The Yonks scored a run in the

FORD

A touring car is not quite as expensive as a sedan and will stand up to almost any amount of abuse.

The sedan is the ideal car for your city and country business and pleasure trips and rides like a much heavier car over rough roads.

Either car is less expensive to operate than any other make of car made. Quick to get away. Quick to get back.

The Fordson tractor is an all purpose machine. Pulls your stumps, plows and dresses your land, pumps your water, saws your wood and will almost button the wife's dress down the back.

A farmer should have both a Ford and a Fordson. The business man is almost out of date without the handy little Ford to save him time and money.

You get more genuine chewing satisfaction from the Real Tobacco Chew than you ever got from the ordinary kind.
