FIRE DEPARTMENT PUTS OUT COUNTY JAIL RIOT

Saturday Eugene Register: There are seven prisoners in the county jail today who will have no inclination to take another bath for a year, for they have been very, very wet. And thereby hangs a tale. Sheriff Fred Stickle has been annoyed more or less throughout the day yesterday by noisy demonstrations on the part of the prisoners administering the water cure. Sheriff Stickle and Deputy Croser used all their efforts to quell them without resorting to actual violence but with no success. The sheriff then called up the district attorney and asked his advice as to the propriety of administering the water cure. That official assured him that he had the authority to use any means at hand to put down the riot. The sheriff thereupon sent in an emergency call to the fire department and in a few seconds the fire trucks lined up along side of the jail yard and the fire boys turned a two-inch stream of water into the cells.

There was a series of gasps and gurgles from the rioters and in a few moments the fiercest of the fight had disappeared out of their dispositions. There was not another "peep" from the cage after that.

WOULD DISBAR ATTORNEY FOR LIQUOR VIOLATIONS

Following long delay and a futile effort to have the state bar association take action, the case of L. R. Edmunson has been taken up by the Lane County Bar association. A formal letter of accusation, giving a detailed account of Edmunson's activities during the past two years and recommending that he be disbarred from the further practice of law in the state of Oregon on the ground of unprofessional conduct has been mailed the supreme court.

This statement shows that in June, 1920, Attorney Edmunson was convicted in police court of violation of the liquor law; that in October of the same year he was convicted in circuit court for criminal libel; that in April of the present year he was again convicted of the illegal possession of liquor; and that later he was accused of a similar offense but escaped prosecution by fleeing to British Columbia, where he is still a fugitive from justice.

Injured in Auto Accident.

Mrs. T. VanProoyen and Mrs. Sloan, of Dorena, were slightly injured in a motor car accident Wednesday evening. Rollin Wicks was driving a Dodge and T. VanProoyen a Ford. As they passed near Dorena going in opposite directions the rear fender of the Wicks car hit the VanProoyen car, which swerved and tipped over. There were five in the car but only Mrs. Sloan and Mrs. VanProoyen were injured. The Dodge was undamaged, but the top of the Ford was demolished.
