To Merchants of Cottage Grove

My attention has been called to an advertising solicitor who has given to some the impression that the chamber Rev. A. R. Spearow has been asked the success of his scheme and so apby the Presbyterian church to continue to act as supply pastor until the first of the year.

The N. E. Glass and S. L. Mackin families attended the county fair yes. money. Merchants contributing to any such scheme are doing so on their own miles. Overland Garage. and more judgment without the approval or endorsement of the chamber of commerce. Mr. and Mrs. Leslie Godard and Miss Pearl Ashby have gone to Monmouth, tary of the chamber of commerce where they will attend normal school.

G. M. Scott went to Portland WedSinking Fund.

A motorist touring in the west man-aged to get his car stuck in a tenacious mudhole. After he had made vain attempts to escape, a boy appeared with

"How much do you want?"

After a long and fruitless argument the motorist agreed to pay the amount and the car was hauled to dry land. After handing the money to the lad the motorist asked: 'Do you haul out many cars in a day?'

'I pulled out twelve today." "Do you work at night, too?"
"Yes; at night I haul water for the mudhole."—Argonaut.

Ouija Board Tells Truth. Thousands of persons place their fu-ture happiness in the little mystic toy, the ouija board. Douglas Fairbanks is one of ten millions who owns one and is enthusiastic in its wonders. When great questions of future happiness confront him in his picture, "When the Clouds Roll By," Doug, appeals to Ouija and, strange as it may seem, the little felt-footed indicator furnishes the answer in an amazing manner. Areade theatre, Saturday, Sept. 17.
