TWO CIRCUS ROBBERS CAPTURED BY POSSE

Men Taken When They Return to Cache to Recover Hidden Loot.

Portland, Or. — Two of the three highwaymen who held up and robbed the Sells-Floto circus pay wagon of \$30,000 in cash and bank drafts last Friday night at Vancouver, Wash., have been captured and lodged in the Clarke county jail and every cent in the hold up recovered.

The two robbers were captured early Sunday morning when they came to recover their loot which had been cached in the woods. Both robbers are suffering from shotgun wounds inflicted when they attempted to escape from the posse which was in hiding awaiting their return to the cache.

Two women and two little girls who were in an automobile in which the captured robbers drove to a point near their cache were captured with the highwaymen. The women were held at the Vancouver jail without bonds as accomplices.

The captured men gave the names of Ray Moore, aged 35, and Bert Orcutt, aged 38. The women said they were Mrs. Beth Moore and Miss Christine Gross. The two children are Florine Moore, aged 13, and Edna Moore, aged 4, daughters of Ray and Mrs. Beth Moore. Miss Gross said she was a Seattle waitress.

Information which led to the capture was given to Vancouver authorities by a farmer named Jerry Riordan, who stumbled across the cache while taking a short-cut through the woods near La Center, Wash., Saturday noon.

TO BRIDGE COLUMBIA NEAR THE DALLES

The Dalles.—Sale of stock in an interstate bridge corporation, made up of prominent business men from virtually every city of importance in eastern Oregon and Washington, was decided upon here as the most logical method of financing a bridge across the Columbia river at the narrows above The Dalles. Delegates from many eastern Oregon and Washington towns were in attendance.

A preliminary organization was formed with Judge N. B. Brooks of Goldendale as president; J. T. Rorick of The Dalles, vice-president, and E. F. Van Schoick of this city, secretary. As soon as a board of trustees has been selected steps toward incorporation in Oregon and Washington will be taken in order that the sale of stock may be started.

HOME BREW ILLEGAL

Only Non-Intoxicating Fruit Juices May Be Made.

Washington, D. C.—Warning that the making of intoxicating "home brew" is illegal was issued by Prohibition Commissioner Haynes.

Numerous inquiries have been received, he said, concerning home manufacture of fruit juices growing out of reports that a head of a household was entitled to make 200 gallons of wine a year under permit.

The prohibition unit's attitude on the home-brew question was defined by Mr. Haynes as follows:

"Non-intoxicating fruit juice can be made in the home. Intoxicating wine, home brew and distilled spirits may not. Two hundred gallons non-intoxicating fruit juice may be manufactured tax free by the head of a family registering with a collector of internal revenue.

"This tax-exemption provision has been the source of confusion. The effect of this is not to allow the manufacture of 200 gallons of intoxicating wine free from restrictions of the national prohibition act, but merely to allow the manufacture of 200 gallons of non-intoxicating juices free of tax."

Ford

THE UNIVERSAL CAR

Genuine Common Sense

Many Ford owners can afford to own and operate any car they may choose, but they prefer a Ford "because it is a Ford," for "because it is a Ford" means dependability, ease of operation, efficiency—and it means sure, quick transportation.

The Ford Sedan, a closed car of distinction, beauty and convenience, is the ideal all year 'round car, for pleasure or business—for the farm, town or city. It gives you all that any car can give at a much lower cost for operation and maintenance.

More Common Sense

Keep the boy on the farm and the mortgage off by using the Fordson Tractor. The boy enjoys handling an iron steed and it will make your own work more enjoyable. Get a Fordson and watch your bank account go "chug chug."
