How Does Your Boy Stand in School?

Many a child having a poor school record and a reputation for being backward and lazy is simply a victim of defective eyesight. Poor eyesight, undiscovered, may retard a child's whole progress in life.

Periodic visits to a good optical specialist assure your children of correct vision at all times.

You will find us willing and competent to advise you.

Many Classes of Investments

Have shown large shrinkages in value during the past year—stocks, bonds, real estate, etc. But you haven't noticed any shrinkage in the value of a savings bank investment, either in principal or interest. If your money is here it earns at a fixed rate, which you can depend upon. And the income is clear, because money in a savings bank account is exempt from taxation.
