

Kryptok Glasses, the invisible bifocals, are double vision glasses without the lines or humps so conspicuous on the lens surfaces of all other bifocals.

Try Kryptoks for a while and you will never willingly return to old style bifocals.

We always recommend them where bifocals are needed.

Help Your Moulters Moul

THINK of the amount of hen energy, vitality and red blood required to grow a thousand feathers—the average plumage! A moulting hen needs good health—good appetite—good digestion.

Dr. Hess Poultry Pan-a-ce-a

helps poultry through the moult and starts pullets and moulting hens to laying. It contains tonics for the appetite, tonics to aid digestion. It tones up the dormant egg organs. It contains iron that gives a moulting hen rich, red blood and a red comb. No disease where Pan-a-ce-a is fed. By all means feed your moulting hens Dr. Hess Poultry Pan-a-ce-a.

We handle the Dr. Hess Line. Call on us.

Ostrander & McQueen

Tell us how many hens you have. We have a package to suit.
