

"THEY CERTAINLY ANSWER THE GIFT QUESTION"

Probably there is someone on your Christmas list for whom you cannot decide upon a suitable present. It may be Mother or Father or perhaps some close friend. Oftentimes it is difficult to find a worth-while gift for someone near to you.

Why not give a pair of Kryptok Glasses, the invisible bifocals, and make this Christmas a lasting one? Kryptoks eliminate the eyeglass troubles of all who wear, or ought to wear, bifocal glasses. Come in and ask us about our Kryptok Gift Certificate Plan. It simplifies the giving of a genuinely useful present.
