### They Certainly Answer the Gift Question

Probably there is someone on your Christmas list for whom you cannot decide upon a suitable present. It may be Mother or Father or perhaps some close friend. Oftentimes it is difficult to find a worth-while gift for someone near to you.

### KRYPTOK GLASSES K

Why not give a pair of Kryptok Glasses, the invisible bifocals, and make this Christmas a lasting one? Kryptoks eliminate the eyeglass troubles of all who wear, or ought to wear, bifocal glasses. Come in and ask us about our Kryptok Gift Certificate Plan. It simplifies the giving of a genuinely useful present.

## A Local Packing Plant

Why not demand home packed meats? To do so will encourage the farmer to raise more hogs, and the dollar you spend for meats packed at home from home grown hogs may come back to you after a

few days. Why not demand home rendered lard and help still further in promoting the production of home grown hogs?

Besides, you will get the best meat at a lower price than you will pay for that packed elsewhere.
