Her Light Escape

September 21 at 7pm

"Her Light Escape," a program of art song in English for soprano and piano that mirrors the cyclical nature of the changing seasons, performed by the Spire Duo, Emma Rose Lynn. The program begins with the changing colors and falling leaves of autumn, ventures through the harsh elements and episodic slumps of the winter, rejoices in the burgeoning of new life in the spring, and finally arrives in the welcome quietude of a warm summer, reflecting on both sentimental moments of the past as well as life's present beauty.
