Tag a team in Newport

lively

Registration is now open for youth basketball and wrestling at the Newport Recreation Center.

The boys' 7th/8th grade basketball season will kick off on January 27, with players getting the chance to test their skills against teams around Lincoln County. Most games and practices will be Monday through Friday evenings.

The registration fee is \$100 and some scholarships are available. Registration deadline is January 12.

Registration is also open for the 1st to 6th grade basketball league, which is aimed at helping students improve skills, learn team play, have fun and develop a passion for the game. Practices are held twice a week and games are played on Saturdays at various locations around Lincoln County. 1st and 2nd graders play on coed teams, while 3rd to 6th graders are split into boy and girl leagues. A skills assessment will be held on November 12 at the recreation center.

Organizers are also looking for volunteer coaches to help with each team. Parents who volunteer receive free registration for their child.

Registration is \$50 with some scholarships available. Registration will close once all team spots are filled.

And the Recreation Center is also accepting signups for its 6th to 8th grade

girls and boys wrestling program. Players will get the chance to test their skills against teams around Lincoln County and in the Valley. Practices and matches will be Monday through Friday evenings.

The program orients new and experienced wrestlers to the sport, with an emphasis toward developing wrestling techniques, sportsmanship and athletic agility for novice and seasoned

wrestlers. Wrestling helps develop skills and knowledge of mental toughness, personal responsibility, nutrition, weight-management and discipline.

Registration fee is \$100, with some scholarships available. Registration deadline is November 12.

For more information or to register, contact the recreation center at 541-265-7783 or go to newportoregon.gov/sports.

Face your spheres this winter

The Oregon Coast has developed a worldwide reputation as a place where visitors willing to brave the elements can snag themselves a unique souvenir in the form of a hand-blown glass float hidden on the beach.

Meanwhile in Newport, visitors can get their hands on a commemorative glass float without getting their shoes sandy, by taking part in Treasures of the Sea, a program that sees floats blown by Oregon Coast Glassworks and The Edge Art Gallery hidden in businesses throughout town.

The 21st annual Treasures of the Sea event runs through Dec. 31, with floats stashed in 17 local businesses ranging from restaurants, lodging, attractions and galleries

to retail shops of all kinds. Visit one of the businesses listed at www.newportchamber.org or on a map available from the Greater Newport Chamber of Commerce, fill out an entry form and return it to the float display at the business. Weekly drawings will be held throughout the winter, with the remainder of the floats given away Dec. 31, when each business will select winning names from its entry pool.

Treasures of the Sea is designed to introduce Northwest travelers to the distinctive “value season” in Newport. This is a time of year when slower traffic, great sales at various kinds of businesses and fantastic lodging deals come together to create a unique time of year – especially for

those looking to do some holiday shopping in a more relaxed environment. All that is also accompanied by the always-spectacular storm watch season.

For more information, call the Greater Newport Chamber of Commerce at 800-262-7844.
