

## This week the **Kiwanis Club** and the **Lincoln City Outlets** have joined forces to bring you a **Happy Heart Hunt!**

Spread happy hearts throughout our community by making a window, door or outdoor display. Create a message for others to find while they are out on neighborhood walks. Post pictures of your happy hearts on Facebook and be sure to tag @KiwansClubLincolnCity, you could win a \$100 gift certificate to the Lincoln City Outlets! Competition runs through the month of May. Show the heart Lincoln City.

## *Creative Quarantine:*

### *DIY art relief from the Lincoln City Cultural Center* **Tissue Paper Stained Glass Heart**

**You will need:** Dark paper or board for the frame, wax paper, colored tissue paper, glue stick & scissors.

- 1.** Start by cutting out a large heart shape in your dark paper or board. Draw a second heart shape inside of this so that it makes a heart-shaped frame about 1 inch thick. Cut it out.
- 2.** Cut out a wax paper heart the same size (leave room at the edge to glue the frame).
- 3.** Cut colored tissue paper into little pieces and use glue stick to stick them to the wax paper heart. Fill the space. Be creative.
- 4.** Glue all around the edge of the wax paper heart and attach the heart frame. Hang it up in your window with other cut out hearts and enjoy the glow!
