Cardinals, Teddies visit General basketball court

by Mike Hoffman

Lincoln's Cardinals invade the Generals' floor tonight, and Roosevelt will travel here Tuesday as the Junior Varsity will face the same opposition.

Rated number one in pre-season voting, Lincoln proceeded to lose 6 straight games and win the number 12 spot in league standings.

The Cardinals have strength, but lack any great height. Runners-up last year, they return with 5-10 Jeff Kolberg, 5-11 Greg Slavens, 6-2 Dick Morrison, and 6-3 Mike Bubalo, who started as a sophomore but was lost for disciplinary reasons.

Other top Cardinals are Bruce Schoen and Charlie Smith. Lincoln's early losses were attributed to an injured Bubalo, who has led the Cards in scoring when healthy.

Roosevelt has had similar problems, winning only 2 of their first 6 games. Jerry Cross is the Teds' leading scorer, backed by Ralph Carter, Don Deskin, Bob Fasholz, and Don Eykelbasch.

Losing to Marshall last Friday, 46-42, the J.V. basketball team will be out to win tonight as they tangle with Lincoln at 5:30 there.

Varsity baseball, track athletes begin 'winter track' weightlifting program

Varsity baseball and track athletes began the winter track weight program this week under the direction of Coaches Roy Harrington and Mark Cotton.

Approximately 60 were expected to turn out for the weightlifting program using the new universal gym apparatus.

In the past, this has been a 2 day a week program, but this year sessions will be held on

Monday, Wednesday and Friday.

The purpose of this program is to get the athletes in peak condition by the beginning of their competitive seasons. Running sessions will take place in the old gym.

Baseball players will continue the program only through half of February and Coach Harrington plans to have his 30 participants run first to Wilshire park, then to Fernhill park, and finally to Rose City park.

Track athletes may continue the program somewhat longer as the track season begins at a later date.

Varsity wrestlers face Lincoln team

by Mike Cochrane

Opening their PIL season with a victory over Benson last Tuesday, the Varsity wrestlers will face a strong Lincoln team tonight, on their floor at 8 p.m.

Both Lincoln, who beat Jack-

son last Tuesday, and the G-men will be going after their second consecutive win. All the wrestlers for the Cards in the 157 pound and above class are back from last year.

Coach Robert Shewbert direct-

ed his team to a fine pre-season showing in which only one wrestler, Chuck Kerns, remained undefeated.

He received an unexpected boost from grapplers Wayne Crawford, 123 lbs.; Marshall Kellum, 106 lbs.; and Gene Kerns and Bill Lott at 98 lbs.

Lincoln should be strong in the upper weights, while in the lower weights Coach John Linn's troops are "inexperienced."

Leading the Cards are returning lettermen Wayne Karney, John and Jim Montagna, all of whom placed in the city tournament last year. Mike Pierson, Tom Hickman and Larry Wilder, who missed PIL action last year, could provide strength in the middle weights.

Chosen in the pre-season coaches' poll to nab second in city, Coach Linn remarked at the beginning of the wrestling season that "We're looking forward to the best wrestling season that Lincoln has had in ten years. If our seniors do the job and improve at the rate they have . . . we will do well in both city and state."

The Privates, who own a 3 won 1 lost record, will wrestle at 4 p.m. at Lincoln.

Chris Cole and Onia Bates will participate in the Oregon Invitational Indoor Track meet in the Memorial coliseum on January 28.

Onia is slated for the open division 60 yard dash and will meet top class runners such as Harry Jerome, 100 meter and 100 yard dash world record holder.

Also scheduled to compete are Charlie Greene, Nebraska, NCAA 100 yard dash champion; Tommie Smith, San Jose State, world record holder in the 220 yard dash; and his brother Ernie Smith, a sophomore at Oregon State university.

Chris will run in either the Girls' 440 or the 60 yard dash, depending upon which she does better in. She will be in competition with girls from all over the nation.

Jim Ryun, a sophomore at the University of Kansas, is the featured attraction as the talented spiker smashed the world mile mark (3:51.3) and half-mile standard (1:44.9) last summer. In addition, he set a new American two mile record with a 8:25.2 clocking.

Former Olympians Dyrol Burleson and Jim Grelle, ex-University of Oregon runners, will provide stiff competition for Ryun

if entered in his event which will be either the 1000 yard run or the mile.

Grelle, who shared the American two-mile mark with Ryun, implied that he would prefer that distance to the shorter races.

Other top distance runners entered in the meet will be Washington State university's Gerry Lindgren and NCAA two mile champ Tracy Smith of Oregon State university. NCAA mile king Bob Day, University of California, Los Angeles, is also scheduled to appear.

The three hour track fest is to begin at 7:30 p.m. Tickets are available from Gary Noble and Mark Cotton for \$1.50. Purchase deadline is Monday.

WINTER TRACK athletes exercise on the new universal gym in the new gymnasium every Monday, Wednesday and Friday. The five-station apparatus is valued at \$2400.
