

Gymnastics team schedules meets; girls to compete

Turnout for the gymnastics team is very good, according to Dennis Sullivan, boys' PE teacher. Some 35 boys and 50 girls are participating in the program under the direction of Mr. Sullivan and Miss Marilyn Fitzwater.

Five meets are scheduled for the boys, the first being an all-city meet on December 22, and then individual meets with Jefferson, Marshall, Roosevelt, Jackson, and Wilson.

Boys returning to the squad are Ted Ferriolli, Kurt Heinze, and Mike Black, which should add strength to the squad.

This is the first year of competition for the girls, who so far have meets scheduled with Parkrose and David Douglas, with two or three more pending.

Routines of the boys include parallel bars, free exercise, horizontal bars, side horse, rings, and vault.

Girls' routines include uneven parallel bars, free exercise, balance beam, and sometimes the trampoline.

Team second in Park League

Lack of practice cited for loss

Finishing in second place in the Park Bureau Volleyball league was the girls' volleyball team, with a record of eight wins and one loss. The Corbett team, last year's winner, took first place.

According to Miss Carolyn Fitzwater, volleyball coach, "They really did a good job. They didn't practice once, because they had no place to practice. The basketball and gymnastics

teams used the gyms. I know our opponents practiced."

Members of the team are: Carol Donis, Margaret Peterson, Patty Jensen, Cheryl Doane, Myrna West, Ann Bellerby, Sharon Otness, Barbara Leonard, and Betty Woodward. Patty Jensen is team captain.

There are six players on a team, so the players rotate in. They all play an equal amount.

"They're kind of a bunch of clowns, this group, and they really had a lot of fun," stated Miss Fitzwater.

This team and one other will be attending a tournament at Parkrose high school in the near future.

Keglers compete with outside teams; inter-squad games at Timberlanes

by Jerry Holmes

The glory of victory and the agony of defeat can surely be observed each Thursday afternoon as the Keglers knock 'em down at Timber Lanes.

The club is open to all students who are interested in bowling, whether they can bowl or not.

There are currently 45 members of Keglers, 15 girls, 30 boys,

who are broken up into four-member teams. Some of the teams are all boys, some all girls, and some are mixed.

Besides bowling among themselves, the top five bowlers of both the boys and girls may bowl in competition with Madison and possibly Wilson.

The top five bowlers of the boys include Mike Winklepleck (165), Elton Mandler and Roger Rosenberry (155), Jerry Holmes (153), and Pat Doyle (151).

The top five bowlers of the girls include Laurie Stuckey (133), Chris Leuthold (130), Karen Hunter (124), Brenda Petit (117), and Lillian Farrell (109).

Officers of the club are Steve Ryley, president, Vice-president Karen Hunter, Secretary Chris Leuthold, Treasurer Brenda Petit, and the faculty adviser is Paul Yakymi.
