

Generals crush Wilson; remain top in standings

Taking 12 firsts and 9 seconds, the varsity harriers crushed Wilson by 57 points. The 96½ to 39½ win kept Grant on top of the dual meet standings again this week.

The 440 relay team beat

JV baseball team called 'young club'

The Junior Varsity baseball team with five games left to play has an overall record of two wins, four losses, and one tie.

Centennials and Lincoln were the Sergeants' two victims. The game against Wilson ended after nine innings in a tie, while 1-2 point losses were recorded against Cleveland, Marshall, Jefferson and Jackson.

"We have a young ball club. They are all sophomores in a league dominated by juniors," stated Tom Pienett, JV baseball coach.

According to Coach Pienett, he is more than satisfied with his team; they have a lot of hustle and desire and will continue to improve.

Some of the better players on the team are Gary Dukhart, short stop; Steve Ihringer, third base; Chris Devich, second base; Tom Parker, first base; Gary Cogill, catcher; and Richard Durland, outfielder.

"Our infield is improving now and is as good as any in the league," commented Coach Pienett.

Wilson's runners by 3.2 seconds as they ran the course in 44.4 seconds. Members of the team are Bob Bates, Phil Dean, Jim Gilbert, and Ron Brown.

Chuck Kinsey ran the mile in 4:36.6 to defeat all of his opponents in that event. Grant came in one, two in both the low and high hurdles as Norm Williams won both events. Ron Brown came in second in the high hurdles and Ed Geist came in second in the low hurdles.

Bob Bates turned in a 10.7 century to capture honors in that event. Bruce McCormach and Jim Gilbert came in one, two in the 440. Don Johnson won the two mile with a time of 10:21.0 over teammate Steve Gerrard who also had a time of 10:21.0.

Rick Riley won top honors in the pole vault with a height of 12'3". Grant also won the 220, the long jump, the discus and the javelin.

The JV team won 67½ to 59½ and the Privates remained undefeated as they won 82½ to 42½.

Tonight the Generals meet with Cleveland and according to Mr. Cotton, they will be our toughest remaining meet.

Frosh baseball club wins first 2 games

Defeating Madison 15-3 and Lincoln 14-1 in the first league games this season, the frosh baseball team is off to a great start, according to Coach Vern Marshall.

Winning pitchers are June Jones and Rich Mills, according to Coach Marshall. Top hitters include Kurt Sauvola, Nick Rulli, Mark Evans, Rich Mills, and June Jones.

"Cleveland and Benson should be our toughest competition," stated Coach Marshall, "but so far we have a pretty good team." The overall team has 25 members and practices every morning from 6:30-8:00 a.m.

"We hope to win the rest of our ball games, but you never can tell," predicted Coach Marshall.

The next league game is scheduled for Thursday against Jackson high.

AS HIS OPPONENT attempts and misses the ball, catcher Larry Leas gets ready to bag it. The blurred object heading for Larry is the ball.

G-Men win over Raiders, Demos; Wilson game ends first round play

Wins and rain dominated the baseball schedule last week. Only two of the five games scheduled were not called off. Wins for the G-Men came against Jackson by a score of 7-1 and a tight 2-1 win over Jefferson came on Wednesday.

The plays ended the first round this season against Wilson and will hopefully be well into second round action next week against teams from Benson, Cleveland, Jackson and Jefferson.

In Tuesday's action Steve Turner became winning pitcher. Wednesday saw Jamie Eoff win another game. This time it was against Jefferson in a close eight-inning game.

"Steve Turner is coming along real good. This is his second appearance since he was sick and

he is looking a lot better," commented Roy Harrington, varsity baseball coach. "Jamie didn't play as well as he did in the Madison game."

According to Coach Harrington, Grant has pride and determination when it comes to winning. "The only thing the team and myself think about is our hopes for today and not what has happened in the past or what our hopes are for the future."

Girls take first in track meet; ready for state

The girls' track team took the honors for first place in a tri-school meet with Catlin Gabel and Madison high April 16, scoring 159 points out of a possible 360. Catlin Gabel came in second with 137 points, while Madison took third place with 64 points.

First place winners include Kathy Eroth, running the 880-yard run in 2 minutes 40.0 seconds and the mile in 6 minutes 35.0 seconds, and Lili Seiver, jumping 4'4" in the high jump. Betty Harris won the long jump with a 14' 7" jump, while Rita Harris took firsts in both distance javelin and shot put.

A district meet will be held next Friday at Madison high. About this meet, Miss Carolyn Fitzwater, girls' track coach commented, "The meet is free to anyone interested, and it's nice to have someone come to watch once in a while."

The two girls scoring the most points in each event at the district meet will qualify for the state meet. "We should qualify easily for state," added Miss Fitzwater, "if we can learn to pass the baton correctly on relay events."

About practice Coach Fitzwater commented, "They've been working really hard, especially with the cold weather."

GERBIL

Exciting new pocket-size pets from the '54 as lab animals. Their gentle, curious, and friendly natures soon won the hearts of lab assistants. Now they are rapidly proving their value as personal and teachable pets to the general public.
