

## Gymnastic show to feature routines by 200 classmen

Hula hoops and balls, folk dancing, and various exercise routines will be featured at the May 3 and 4 Gymnastic Show, 8:00 p.m. in the new gym.

According to Dennis Sullivan, gym instructor, profits from the show will be used to purchase new athletic and physical education equipment for the coming year.

Approximately 200 upper and lower classmen will participate in various routines. Both boys and girls will display free exercise; the girls will use hula hoops and balls for their routines. Boys will also demonstrate mass calisthenics.

"There will also be a special exhibition on how to play space ball," commented Mr. Sullivan.

Also being demonstrated at the show are dual balance exercises, plus routines on the high and low horizontal bars, and the even and uneven parallel bars.

Folk dancing will be performed by the freshmen.

When asked about the show's outcome, Mr. Sullivan added, "If it goes as well as it did last year, it will be a great success."

Admission to the evening performances of the Gymnastic Show is 50 cents for adults and 25 cents for students. The show will be presented to the student body during an April 30 assembly.

## Quakers fall to victorious G-men; city meet to be hosted by Senators

Again the G-Men have added another dual meet track victory to their list. They upped their record to 4-0 by downing the Franklin Quakers 82 2/3-53 1/3. Tonight the mighty Generals face the season's first city relay meet at Madison.

In last week's contest against Franklin the G-Men dominated everyone in the running events and added wins in non-running events.

Ron Brown and Bob Bates each took first in two events. Ron came in first in the low and high hurdles, while his teammate Bob outran his opponents for wins in the 100 and 220.

Steve Crane finished first in the 880. Crane along with teammates John Adamovics, Dave Edwards and Mike

# Hockey team gains victories

by Julie Ferry

What makes up a good, victorious juvenile hockey team? A number of experienced players is first on the list. Two other important factors are a good coach and a few championships.

Members of the team are Steve Gottfried, right wing; Doug Gibson, center; Jim Hunt, right wing; Mark Gerlack, left defense; Greg Walsh, left defense, and Greg McCulloch, right defense.

Two ex-Grantonian players are Doug Gilman, left wing and Steve Wright, left wing. The coach for the team is Harold Hopper.

This juvenile hockey team won two titles on the Pacific Coast enabling them to travel back to Souix Sainte Marie, for the national championships.

The team won the Northwest juvenile hockey championship by winning two games, 11-3 and 18-1. A tie of 6-6 and a 12-5 score gave the team the Pacific Coast juvenile championship. They finished sixth in the nationals playing against teams from Eagle Creek, Wisconsin and Duluth, Minnesota.

"It was a real good experience for the whole team," commented Greg Walsh about the national championships.

According to Greg, the biggest part of the Easterners' way of playing hockey is their skating.

Top scorer for the team is Doug Gibson who scored 40 goals during the season. The ma-

majority of the goals were set up by Steve Gottfried and Doug Gilman.

Varsity tennis player Margaret Peterson gets ready to return a fast shot put over the net by teammate Myrna West.

## Girls' varsity tennis team gains win; coach says, 'most matches rained out'

by Bonnie Brown

It was a "groovy Tuesday" for the girls' tennis team as they scored a 3-2 win over Roosevelt high in the first match this season.

"Our hardest competition will be Cleveland and Wilson high schools," predicted Miss Virginia Behm, girls' varsity tennis coach. "We haven't played too many matches because of the rainy weather."

Sherrie Horning, Carolyn Lumber, Kim Severson, Carol Donis, Raylene Erickson, and

Margaret Peterson are singles players. First doubles team includes Anne Bellerby and Alice Bailey. Myrna West and Marcy McCullum are team two in doubles.

## Team called 'great'; boys gain 2-2 record

"Pretty good, great," were comments made by Julian Amaya, boys' tennis coach, about his varsity tennis team.

So far the team has gained a 5-0 win over Washington high, and a 5-0 win over Roosevelt high. Two 4-1 losses have been recorded to Lincoln and Wilson.

"The progress has been good with the inclement weather we've been having," added Mr. Amaya. The team practices regularly.

Two matches are scheduled for next week, Monday against Jackson, and Wednesday against Jefferson. Both games will be played on the Grant tennis courts.

## Baseball game to be replayed

The first games to be played in over a week was played this Monday. All of last week's games were rained out.

According to Roy Harrington, varsity baseball coach, "The boys can get very disappointed about not playing, but they are a very understanding bunch."

Practice for the team goes on despite the rain. An indoor batting cage in the old gym keeps the boys in good batting shape. The team gets in more practice than most other schools in the city.

"The games that were rained out will be made by playing games every day and maybe a couple of double-headers on Saturday," commented Coach Harrington.
