

Kick conquers Jeff

G-Men overcome Demos!

by Bruce Fishback

One four-yard jaunt and one golden-toed kick was all it took to overcome Jefferson 7-6 last Friday. By defeating Jeff the Generals managed to keep up their tie for first place with Madison which will be broken tonight when the two leaders clash at Madison.

The G-Men were the first to hit paydirt as Bobby Bates picked his way to the goal line from four yards out to end a 53-yard drive with 1:33 left in the first quarter. Glen Butherus then kicked the PAT which proved in the long run to be the deciding factor in the game.

Jefferson's lone goal came during the third quarter as Woodrow Green pushed his way across from the one-yard line. This TD ended a 14-play 50-yard drive. The PAT that would have tied the game went wide to the right; this one fateful play sealed the Demos' fate.

This win broke a rivalry between the two teams as the Generals have now won 19 games to the Demos' 18 in competition against each other.

"The offense's blocking was very poor," stated Coach Frank Wolf, "but the defense was really good; no, great!" Coach Wolf cited Ray Denfeld as playing an outstanding defensive game and Gary Cogill as playing a good

offensive game.

The Generals were aided by 128 yards in Jefferson penalties throughout the game but could not seem to put together more than one touchdown. Wolf said he was happy that Jeff tried to pass long instead of trying to run with the ball more as they are a strong running team.

By dumping Lincoln 21-12 last Friday, Madison remained tied for the Green division crown. Tonight the G-Men travel to Madison where the undisputed first-place holder will be

decided.

According to Coach Wolf, Madison has favored a running game but are very capable of a strong passing attack. They have been using their passing for TD plays. He added that they are a very well balanced team.

The Senators do not have the personnel that Jeff had but they have a stronger running game than the Demos. The Madison team is headed by quarterback Tom Wise, who is leading the league in scoring this season, and running back Bill McChord.

Carolyn Walker races in cross country meets

by Debby Liesch

How would it feel to be fifth in the nation in girls' cross country? Just ask sophomore Carolyn Walker.

During a meet at Seaside this last summer, she ran the two-mile cross country in 12:20, which rated her fifth in the nation.

Carolyn started running on the track team last April, and placed second in the city. At the beginning of the cross country season this fall she ran the two-mile. Since April she has participated in about ten meets, winning both ribbons and plaques.

She clocked in at 9:10, to win the 14-and-over division 1 1/2-mile cross country run at Gabriel Park on October 5.

At a telegraphic meet with Montana at Tigard high on October 12, she took first place in the mile-and-a-half, with a time of 9:16.

In addition to running, she finds time to participate on the swim team, and manages to maintain a 3.8 average.

"She has a lot of talent for a sophomore girl," stated boys' track coach Mark Cotton. "Very few sophomore boys could beat her over the two miles. She is extremely pace conscious."

The boys are pretty amazed because not many girls are distance runners.

Scott Jackson breaks second cross country record

The varsity harriers jacked up this year's win record again to 11-0 by defeating Jackson, Roosevelt, and Jefferson at Grant last Wednesday, and now face the city meet October 25.

Scott Jackson, who broke Grant's course record last week with a time of 12:12.8, decided that it was not good enough and ripped through the course 6.7 seconds faster with a time of 12:06.1. This time was 25.8 seconds faster than his closest com-

petitor, Mike Brown from Jackson, who had a time of 12:35.3.

General Greg Schukart romped in third with a time of 12:41.6 and Don Johnson claimed fourth with 12:52.3. Mike Naylor placed sixth in 13:05 and Steve Gerrard captured seventh in 13:13.

According to Mr. Cotton, almost all members of the team improved their times by 20 seconds over the last meet, which was also held at Grant.

On the JV scene the Sergeants also captured first place when they defeated Jackson, Roosevelt, and Jefferson by totaling

up only 19 points. Howard Unkeles captured first place by completing the course in 9:37.1. George Bassindale from Jackson placed second in 9:41. Doug Owens claimed third, stopping the clock at 9:48. Craig Breese came in fourth timed at 9:52 while Scott Bailey ran a close fifth in 9:53. Scott Evansen ended the Grant scoring by claiming sixth in 9:54.

On the freshman level, Courtney Huff captured first place as the Privates rolled past Jackson, Roosevelt, and Jefferson by totaling only 21 points.

COACH ROONEY tags Mike Naylor as he finishes at the meet last week. Grant overtook Jefferson, Jackson, and Roosevelt 11-0 to remain victorious!
