

# G-men 'squeak by' Benson; defensive plays 'outstanding'

"It's one of the finest games we've seen," commented Roy Harrington, head baseball coach, when asked about the game last Thursday with Benson. The G-men squeaked by 2-1.

According to Coach Harrington, "The game produced outstanding defensive plays from both teams." The Generals now face Lincoln, and the tentative date is today, depending on the weather.

In last Friday's game, the Generals took the game in the bottom of the seventh inning. Pinch hitter Jamie Eoff smashed the ball into left field to bring in Mike Naylor from third.

Outstanding players in this game were: Artie Wilson, Mike Naylor, Dick

Paulson and John Percich.

Artie had, according to Coach Harrington, "two fantastic plays." He dove for the ball, landed on his stomach, recovered, and threw the ball to first, to "out" the Benson player. He also made what Coach Harrington terms a "big league play." He "slow rolled" half way between third and second, then came up with the ball, and with an exceptional throw, sent the ball to first base.

According to Coach Harrington, Lincoln will be a hard team to beat if the team goes into the game with the attitude that they are bound to win.

Monday, weather permitting, the G-Men face Cleveland. This will be the end of the first round.

# Undefeated P.I.L. season seen

by Kathy Robinson

"I feel this year's team is the best since Emery Neale took state in 1939," commented Mark Mooney, tennis player. "It is a broad statement but we have good players in depth. I am confident that we can go undefeated in the P.I.L. season," he concluded.

Starting the season off with a match against Marshall, was a victory for the Generals. Their

second match was against Washington, another victory for the Generals. The third match was played against Benson, with a victory for the Generals, and their fourth match, a victory for the Generals, was against Jefferson.

"I think we have an outstanding team this year," commented Mike Soule, tennis player. "I think we have a good chance to take city championship and in being undefeated. In my opinion,

Jeff Golden has a very good chance of going to state," he concluded.

Members of the tennis team are: Jeff Golden, Ramon Corona, Mike Soule, Stu Hassmen, Mark Mooney, Dean Grudzinski, Lance Zakland, Wayne Lei, Tom Kerwin, and completing the list is Mark Borquist.

The team practices under the supervision of Coach Julian Amaya.

## Frosh, Varsity uphold traditions

# Preparation for state underway

This season the members of the frosh and varsity track teams are upholding the Grant tradition of being undefeated. Cleveland broke the JV's no-loss record by defeating them 115-111.

FRANK WOLF, frosh track coach, explained that he "lost" Rick Eatman to the varsity team. "The first time the frosh ran the 440 relay, they set a new record," Coach Wolf beamed. The second time the 440 was run, the frosh made it in 45.8, breaking the first "new" record.

Gary Noble, JV coach, explained that the junior varsity team is training for next year's varsity team. "We try to run as many boys as possible, so that they can gain experience," Coach Noble elaborated. So far the JV's have been very busy. "We're looking for a very good season," Coach Noble concluded.

ON APRIL 10, the varsity team participated in the city relay, discus, and javelin meet. Ralph Bakkensen, in discus throwing, came in first with 152 feet 2.5 inches. In the javelin

competition, Steve Hopkins came in third with 180 feet 5 inches.

Next Wednesday the varsity team meets Lincoln, there. On April 25, at Corvallis, there will be a preliminary meet to state. The preliminaries will be held at 4 p.m., and the finals at 7 p.m.

The best eight teams in the state will be competing. These teams include: Grant, Centennial, Corvallis, Marshfield, North Eugene, South Salem, and Lake Oswego.

BASEBALL TEAM member John Percich, at bat, hits the ball during the game with Benson. The Generals won 2-1, by coming from behind in the seventh inning.
