

Student body card contest

Grant is now ahead in the race for student body card sales against Franklin. The margin is a close one, but as of October 17 Grant had a percentage of .857, which is nearly 86%. Franklin has just about an even 82%.

The last day to purchase a card and still have it count in the contest is October 27. If a student cannot afford a card, then he should go to the Vice-principal and let him know. Mr. Galati pointed out that competitions will be made for a student who would like a card and would like to be able to participate in the advantages it offers; but who is financially unable.

Having a card means reduced prices for game tickets, you are able to attend the Grant dances, you get a weekly Grantonian, a reduced price on Mementos and above all, you are supporting your school. The cards cost \$4.00. If we win the contest then the honor of graciously entertaining the Franklin student body officers in a humorous assembly will be bestowed upon us; rather than having to send our President Bob Salzman and Vice-president Debbie Chung over to Franklin, thereby taking some of the humor out of their assembly.

Victory for Speech department during school competition meet

Once again the Speech department has swept another victory out from under the amazed competitors who all gathered at Franklin High School. Gaining a total of 84 points, the Grant team placed first above a Madison score of 42, and a Wilson score of 35, to win the Sweepstakes award.

Ribbons were awarded to first, second, and third place winners. Placing first in the various categories of humorous, serious, after dinner, extemporaneous, and
