

Dan Percich receives award of scholar athlete for P.I.L.

"It's just a great honor and I'm sure it will help Danny in the future," commented Coach Earl Trigsted when asked about the Scholar Athlete award that was awarded to senior Dan Percich, a member of the varsity football team.

This year Dan represented Grant in the competition and was awarded the honor to represent the P.I.L. as a back. Paul Pavalich from Franklin has been named to represent the league as a lineman.

This award is chosen from athletes around the city who have excelled not only in athletic competition but also scholastically. It reaches into class lead-

ership, not only when in high school but grade school also. The award deals with citizenship all through school and the candidate's history of sports stretching as far back as Little League baseball.

Dan is now eligible to be chosen to the National Football Hall of Fame for the high school division.

1969-70 VARSITY AND JV BASKETBALL SCHEDULE

Grant vs. Central Catholic	Dec. 5*
Hawaii Trip (3 games)	Dec. 11-13
Grant at Marshall	Dec. 19

G-men to utilize speed

by Steve Johnson

With six returning lettermen from last year's State championship team, the Varsity basketball squad has begun preparations to defend their crown.

Senior Artie Wilson, a great leaper, heads the list of individuals turning out for the squad. He is the only returning starter and was selected to the Honorable Mention portion of last year's All City team, as a guard.

At the post positions, senior Steve Crane and June Jones, a junior, seem to have the inside track. Crane is an excellent shot and was a part-time starter a year ago. Jones played on the JV team last year, but during the State Tournament, he played Varsity and showed great promise.

Versatile Robin Sinclair will probably start at one of the other guard spots. Tim Myers, a speedster, ball-hawking Jackie Chinn, and defensive ace Dan Percich are battling it out for the third guard position.

Others out for the varsity squad include seniors Steve Hopkins, Jerry Dukes, and Greg Schukart. Juniors out for the team are Tim Stambaugh, Steve Russell, Dave Poppinga, Pat Walker, and Eddie Lincoln.

"This year's team will not be a big one, but we will be very fast. We plan to employ a pressing defense and use a two-platoon substitution system. We have plenty of depth this year," stated Coach Ed Rooney.

Ice skating group renewed with spirit; free lessons offered

After three years of near-extinction, Killian, an ice skating club with a charter dating back 20 years, has been revitalized with the eagerness of the many interested members.

IN LATE September, Janeen Olsen, an avid and award-winning skater, found it a good time to restart the club whose last significant meeting was in 1966.

With membership open to absolute novices through professionals, precision figure skaters to hockey skaters, Killian's sole purpose is to provide the opportunity to skate in a group with equally interested friends. Another asset is that of free instruction by accredited teachers for anyone wishing it.

SKATING AT regular rates at Lloyd Center every other Wednesday after school, the group is anticipating ice games and skating parties and possible discounted group rates after January.

Nearly 30 students have already shown regular interest and of these over 20 have just started skating.

One of the first off-ice projects was the election of officers. Under Advisor Dennis Sullivan are Janeen, president; Lillian Sevier, vice-president; Debbie Leisch, secretary; and Kathy Murray, treasurer.

Cogill Comments

by Gary Cogill

The state of Oregon has produced many fine outstanding coaches who have advanced far in their careers. Our fine faculty this year as in the past is privileged to have one of the finest coaches in the history of coaching, and that is in the form of Mr. Mark Cotton.

MR. COTTON is head of this year's cross-country team which placed second in state competition. In the past, he has coached many great athletes including our newly crowned distance runner in the 2.5-mile course, Scott Jackson.

Cross-country teams in the past have been excellent and the talent is only a part of it. Coaching under the guidance of Mr. Cotton has reached the point where a loss in P.I.L. competition is a very rare thing.

THIS YEAR our cross country team was backed by many fine senior runners. Despite the efforts of state champion Scott Jackson, senior runners like Don Johnson, Jeff Klein, John Othus, Frank Wall, and Greg Schukart came through with the needed points to pull off important victories. Like most other sports cross country is a team effort and that is what Grant had all year.

Mike Phillips wins breaststroke race

Senior Mike Phillips climaxed an unbeaten season by winning the 100-yard breaststroke in last Saturday's state swim meet at the University of Oregon, in Eugene. Mike's winning time was 1 minute 3 seconds.

The medley relay team of Phillips, Mark Powell, Darryl Pape, and Jeff Pittman placed third. In the boys' one-meter diving competition, two-time city champion Bruce Parker captured fifth place.

In the girls' competition, Grant's entrant, Sue Gottsch, who was swimming in the individual medley, finished the event in tenth place.
