

Reed sets new school record in triple jump

strong second-day performance enabled Clackamas men's team to place second behind league power Lane Community College at the State last weekend in Roseburg. Our first day was shabby, we had a good second day," Tipton, head track coach, said. "We earned three gold medals—those make the points, I think are the most satisfying. We're looking for a good showing at Regionals this week and think that we are looking for it," he said.

Doug Oberst ran a 9:31.5 to win the steeplechase well ahead of the field. Originally, Oberst was scheduled to run in the 5,000 meters, too, but extra team points weren't needed so he didn't run, according to Tipton.

Randy Bolliger came back in the shot with a put of 51-6 to win and Dan Jackson was third with 46-4½.

"Kelly (Britz) won a gold in the 1,500 and just did the kind of job he needed to. He was one second off the National qualifying with a 3:55.9," Tipton

said.

"Kelly knew he had to come back in the 800 and he did a good job in that too. Lynn Mayo from Lane won it but Kelly was closing and was only two strides behind him at the end," Tipton said. "I think that shows his potential and it also makes us anxious for a rematch."

The 400-meter relay team of Tony Terry, Ed McAllister, Dave Rudihauser and Joseph Jones finished fourth in the race with a 44.3. According to Tipton a mix-up in the handoff accounted for part of the problem.

Ken Nance, coming off an injury, took fifth in the 110-meter hurdles with a 16.7. He will be looking for a 15.8 or 15.7 to qualify him for Nationals.

Dave Reed moved up eight inches in the triple jump to set a new school record. For the second week Reed bettered his jump by that margin. Reed's 46-9 3/4 breaks Brian Leachman's mark of 46-7 3/4.

"It looks to be a good contest for this week," Tipton said. "Dave had several strong jumps at 46. If he continues to improve he can beat Lane's Mike Yeoman."

"Dave Rudihauser was not satisfied with his race in the 400 meters. He was watching other people and held back when he shouldn't have," Tipton said.

"At Regionals he's going to run in the 800. That will set him up for next year and then he can decide which he prefers. He's only a freshman this year," he said.

Joe Jones took a close second in the 100-meter dash and also scored a best in the long jump. However, because of the caliber of competition Jones' personal best placed him only fifth.

Preston Martin will be fighting for the top spot this weekend after placing second with a

6-2 jump behind Southwestern Oregon's Joe Thomas. Martin has a best of 6-4.

Dave Grosnickle managed fourth in the pole vault at 13 with the winner coming in at 14-6.

"Ed McAllister's performance was probably the highlight of the day," Tipton said. "He finished second with a 56.1 in the 400-meter hurdles. That is over a two-second improvement for him and I'm sure he can beat the guy who did beat him."

In the 1,600-meter relay Clackamas ran eight to ten seconds off their best time. According to Tipton, they ran the race only for insurance points and not for time.

"We're still a little ways off of what we can do, Mike Murphy and Curt Lowery showed that, but we are primed for outstanding performances," he said.

Murphy placed unusually low with a fourth in the javelin with 184-4½ and Lowery didn't place which is also uncharacteristic.

"The team really came together, they were serious and determined. They collected themselves and they didn't give just a partial performance," Tipton said.

Women finish; men relax

Northern Idaho College took Region 18 championship in men's tennis with 14 points over Clackamas last weekend.

Southwestern Oregon was second with ten while Clackamas had no score at all. COCC had been the pre-determined favorite going into the competition.

North Idaho was an unheralded contender coming into competition and they did not play well. "Head Coach Gladys Reed said, 'They played a lot better at the tri-city area community colleges and four-year schools in Washington.'"

The Cougars first and second singles players, Debbie Copher and Rita Mumm, were ruled ineligible by the National office because it hadn't received their registration forms. Clackamas forfeit at both positions.

For the rest of the matches Clackamas was eligible but still didn't score any points. Both Debbie Copher and Jeri Trosko were out in the first round and lost in the second.

In doubles action Copher and Dancer split sets 3-6, 6-1, and 6-3 with North Idaho's Kelly Rice and Rona Williams, the eventual champions.

"I think our first doubles and singles played well," Michael said, "but from what I saw of the others I didn't think that they played as well as they had in some of the more recent competitions."

"We play a make-up match today at Mt. Hood at 3 p.m. and that is the end of our season," Michael said. "So far, Debbie Copher and Jeri Trosko are the only ones I know that are coming back for sure next year."

First singles player, Mike Maynard, is a strong candidate for a State championship title. Maynard, Clackamas men's tennis team's first seed, has lost only one match all year.

Ideota Javier last year won three rounds in the national junior college tournament and this year plays for Oregon College of Education. Javier beat Maynard in three sets.

"Mike controlled the match but towards the end he just lost some of his composure," Head Coach Rich Taylor said. "No one in the league has beaten him (Maynard) though."

"I think that our first doubles team of Maynard and Buddy Patnode will be strong and we hope for a regional title from them too. I also think that the others have reasonable chances of winning," Taylor said.

"Mike's toughest match will be against Art Delany of Central Oregon Community College. Delany teamed with Jim Mayall makes up one of the top doubles teams in the league," he said.

Rich Bobzein upset Patnode for the second singles position which moved Patnode into third place. Dave Riggs is the fourth man on the team with Sam Pickens as an alternate.

"It's going to be very close between Central Oregon, Chemeketa, and us," Taylor said. "Chemeketa looks to be the strongest though because they are deeper than anyone else."

Baseball team almost out

The College's baseball team was pushed to the brink of elimination from post-season play last week after suffering a 1-0 loss to league leaders Linn-Benton and Umpqua. This left the Cougars with only a mathematical chance to make Region 18 tournament play.

They began the week in a losing position by rolling over Blue Mountain in a twinbill Tuesday by scores of 13-2 and 20-6.

In the first game, Steve Gussler led the 13 hit attack as he scored a grand-slam home run in the fourth inning. Six Clackamas players collected two hits apiece.

In the second game, Clackamas scored nine runs in the first inning and never had to look back because they won so easily. Wayne Snoderly led the Cougars with a three-run homer and was three-for-four on the afternoon with three hits batted in.

Other top hitters include John Riley, 2-5 with four rbi's, and Northcutt, 2-3, three rbi's, and John Kline, 3-3 with four runs scored.

The Cougars also got a good performance from Bob Miller in the first game. He gave up three hits and two runs in the game.

Suddenly the power turned on for Clackamas. They were defeated by Umpqua 11-0, 7-1 and by Linn-Benton 5-2 and

lost a scoreless first five innings game on Wednesday, May 10, 1978

innings, Umpqua broke loose for five runs in the fifth and six in the sixth for the easy victory. The only highlight for Clackamas was Shawn Riley's two hits in three tries as Umpqua's Patterson, who entered the game with a 2.57 earned run average, held the Cougars to only three hits.

In the second game, a couple of errors in the second inning and Gary Reedy's tow home runs provided Burlen all the support he needed as limited Clackamas hit just two hits and one run.

Against Linn-Benton, Satur-

day in Eugene, Clackamas ran into the league's top two pitchers and lost 5-2 and 4-0. In the first game, the Cougars faced the league's top pitcher with a .88 earned run average and a 6-0 record and came away with only two hits.

In the second game Clackamas was held to just three hits and no earned runs.

The losses dropped Clackamas to 13-11 in league play, six games away from first, and unless the top teams falter, the Cougars are out of playoff contention.

Women take State; look for Regional title

The women's track team ran away with the State title Saturday at Roseburg. The women swept many of the running events and lacked depth only in some of the field events.

Hudson discontent

for second place with a 75, while the other players on his team were close behind.

For Clackamas, Tom Tirrill led the way with an 80. Adamski had, as already mentioned, 81, while Innocenti had had 89, Pat Odin 84, and Steve Thomas 94.

Clackamas will go to the Lower Columbia Invitational at Longview on Friday.

Next Friday, instead of playing in a Chapman tournament, the Cougars will play Clark College at Royal Oaks Country Club. Hudson looks forward to playing on the course. The Regional Golf Tournament will follow the Clark match.

"We have a better chance at qualifying for nationals this year than last," Hudson said.

"The teams to beat are Umpqua and Chemeketa. Chemeketa is always consistent, and Cy Perkins at Umpqua has four players that didn't make the University of Oregon team, but are very good."

100 meter--Lisa O'Dea, Clk, 14.98 (New meet record); Marsha Hugginie, L-B, 15.7; Verna Simon, Clk, 16.0; Kelly Carr, L-B, 16.5; Carla Chadwick, COCC, 16.7; Alice Armstrong, L-B, 17.4.
