Costume party highlights dance

A five-man band and costume contest will be the highlights of a Halloween dance sponsored by Student Activities on Oct. 27.

Prizes of \$25 a piece for the best male and female costumes and \$50 for the best couple will be offered. A costume contest was first presented at the Halloween Dance last year. It turned out well," according to Debbie Baker, student activities counselor.

Disco will present a variety of funk styles, playing for the 9 p.m. to midnight dance, said Mark Matthews, student activities director for Associated Student Government.

Attendance at the dance last year was described by Baker as one of the best turnouts in a long time," and it is projected to be higher this year.

"My guess is that there were at least 200 people last year," Baker said. "I expect more this year because the students seem

a little more energetic and enthusiastic and probably would enjoy a costume party."

Admission to the dance will be \$1 for students with College I.D., and \$2 for all others. It will take place in the Community Center Mall.

Dancing ghosts haunt

The College beginning modern dance class will perform the second annual "Haunt Your Library" this month.

Scheduled to take place in the library's study area, the performance will take place Oct. 30 at 8 p.m. and Oct. 31 at noon.

"Dance and movement to explore literate themes are the goals of modern dance," according to Jane Rickenbaugh, College dance instructor. "Portraying meanings through dance, movement, sound and

speaking" is what the art form is all about.

The choreography and script will be the original creation of Rickenbaugh, with percussion accompaniment by Donna Steger.

"We might have a reading of Edgar Allen Poe's 'The Raven'," commented Rickenbaugh.

The performance is not limited to children's entertainment. It will be designed for the enjoyment of all. Trick or treats will also be available.

HOSTS AND GOBLINS—Last year the College dance department presented the first annual "Haunt Your Library."
