## Pumping iron

That was what it was all about last Wednesday, May 7th at the CCC gymnasium as about 54 contestants entered the bench press contest sponsored by community services. Lifters competed in seven weight classes in high school division and an open division. Evergreen High School from Washington dominated the high school division as they had entrants place first in 3 weight classes while taking two seconds and a third. The top lift of the night came in the open division when Roger Patterson pressed 405 pounds. Staff photo by Sue Hanneman.

### Intramurals

The champion of the three-man intramural basketball league has been decided as the Barber Squad defeated Hoodye in the playoff game.

After Barber and Hoodye in third place was Vaught, followed by Honas and the Maggots.

Intramural softball will begin this Thursday at noon. Loren Swivel, intramural coordinator, said that the games will be held rain or shine.

The Ball Team has the first bye of the season while the Draft T's play the Green M and M's and Cindi's Team will take on The Banchiez.

### Baseball

The season has come to a close for the CCC baseball team who finished the season 19 and 19 overall and 10 and 16 in league play.

The final league games of the season came at Mt. Hood Community College where the Cougar nine lost both games of a double header. In the first game the CCC glovemen fell, 8-0, before dropping the night cap, 13-4.

The following contest and the last of the season for the Cougs came against Eastern Oregon State College's J.V. team. The Cougs won the first game, 12-1, which was highlighted by a Steve Mills grand slam home run. Dave Case went three for three with four RBI's.

In the second game, Coach Gene Peterson allowed all of his pitchers to play various positions and lost the game by one run, 2-1.

## Track teams finish admirably at regionals

By Brian Rood  
Of The Print

For both the men's and women's track teams, Mt. Hood Community College was the site of competition last weekend, when both teams took to the track in the Region 18 track and field meet.

Although neither team threatened to run away with the region title, both squads finished admirably with the women taking a fourth place

finish out of 13 schools, and the men ending the day fifth out of 12 schools entered. Lane Community took the

women's crown while the College of Southern Idaho grabbed the men's title.

Sue Hanneman again gained top performance honors for the women. She finished the 400 meters in 58

flat for second place, and also finished second in the 200-meter dash with a time of 26.1. For her efforts, Hanneman was named to the regional all-star

team and will be one of the higher hopes for the women in the national meet this week in San Angelo, Texas.

Hanneman, along with Jodi Moore, Dani Varner and Lisa

Pierce, glided to place finish in the 400-meter relay, crossing the finish line in a quick 51.5. Nancy Reynolds, who will also be in San Angelo this week at the National Junior College Track and Field Meet,

came away with two third-place finishes in the 3,000 and 5,000 meters. Reynolds' time in the 3,000 was 10:11.7 which, combined, with her 5,000-meter time of 18:07.62, earned her a spot on the regional all-star squad.

Along with the members of the 400-meter relay team who will instead compete in the mile relay at nationals, Joy Czowski will make the trip to San Angelo to compete in the snot and discus. She has met the national qualifying mark at least twice during the year.

Joining the women for the trip to San Angelo from the men's team will be Bret Brouse who qualified in the 100-meter dash, as did John Martin. Brouse finished second in the

100 at the regional meet and Martin had met the qualifying

time earlier in the year. Martin placed second in the 200 meter, but will not compete in that event at the nationals because his time was not fast enough.

Bob Ryan will get his first real chance to show what he can do when he competes in the decathlon. Ryan has had no actual meet this year where he competed directly against top

athletes of his sport, but he did qualify in an invitational at CCC. Coach Buck Monroe looks for Ryan to finish somewhere between tenth and fourteenth in San Angelo.

The steeple chase, another interesting and grueling event, will be entered by CCC's Jim Colgan. Colgan will also be making the trip south. He finished second in the regionals with a time of 9:17.8 and has met the national qualifying time twice.

Coach Monroe had also hoped to enter his 400-meter relay team of Ryan, Brouse, John Martin and Dan Martin, but the team lost by .3 seconds, and failed to qualify by either winning the regionals or meeting a qualifying time of 41.8.

Both women's Coach Marilyn Linsenmeyer and men's Coach Buck Monroe are aware that placing at the national meet is extremely difficult. But both would agree that the experience is unequaled. Linsenmeyer said Sue Hanneman probably has the best shot of her girls to place, but also mentioned Nancy Reynolds in the 3,000 and 5,000 meters.

Monroe, on the other hand, said that Jim Colgan has a chance to get to the finals in the steeple chase, and Ryan could come home with a respectable showing in the decathlon.
