The women started off their season by winning against all of their opponents until they got to Mt. Hood Community College.

Coach Loren Swivel looks at Mt. Hood as being probably the toughest opponent that the Cougars will go up against this season. The games with Mt. Hood on Oct. 1 went, 17-15, and 15-6. Since it was still early in the year, Coach Swivel expects the women to be improved before the team has to meet Mt. Hood again.

Less than a week before Mt. Hood, the squad competed in the Linfield Tournament against three other colleges, with the Cougars being the only community college competing. The other colleges, included, Warner-Pacific, the University of Portland, and Concordia. The Cougars took Warner-Pacific, 15-9, 15-10, and 15-13, the U. of Portland, 15-5, 17-15, and 15-3, with Portland taking the second game. Concordia was downed in only two games, with scores of 15-4, and 15-6.

Just two days prior to the tournament, Clackamas took on Judson Baptist, at the College. The winning scores for the Cougars in this match were 15-6, 15-3, and 15-10.

In the season opener, the women of Clackamas downed the Multnomah School of Bible, 15-2, 15-5, and 15-3.

The 1980 Volleyball team at the College is a very young one, but Coach Swivel commented, "It's going to be a good season, honestly. We have much depth."

Debbie Nolz is the only sophomore returning for the

Cougars, an All-State Metro in previous seasons is joined by a host of ding freshmen, as indicated their awards of past. Ronda Western and Ziemba were All-State Metro selections. Cyd Mick was also an selection, and Lou Ann was All-Metro.

The rest of the team Pam Burkert, Lori Dawn Dunn, Angel phrey, Therese Dionne O'Dell, Patti son and Susan Scogg

## Szanto excited about season

New Coach Janos Szanto is looking forward to Clackamas' soccer season.

So far the team has won both of its first two games. As Coach Szanto put it, "So far we've tackled everyone."

Coach Szanto doesn't seem to have to work too much, by what he said, "I really don't have much to do, we have a great team on hand. They really work well together. In fact, we've scored more in our first two games. than the team did all together last year."

This is Coach Szanto's first year coaching at the College. He comes from Hungary, where he played professionally for almost eight years. He is so proficient at the sport, that in 1968 he was chosen for the Hungarian Soccer team.

Upcoming games will be at the University of Oregon, on Oct. 11, and Oregon Institute of Technology on Oct. 18.

The first home game will be Oct. 25 against Portland Community College, the defending champions. Coach Szanto

says, "PCC is the defending champ, but after they play CCC they're going to be sorry they've ever heard of us."

British playwright Noel Coward, American inventor Thomas Edison, Irish playwright Sean O'Casey, British novelist Charles Dickens, and American humorist Mark Twain never graduated from grade school.

The most dangerous job in the U.S., statistically speaking, is that of sanitation worker. Next on the list is fireman, police officer, leather tanner (because of industrial poisons), coal miner, dock worker, meat packer, and logger.
