Women netters: Region Champs

By Wanda Percival
Of The Print

The College women's tennis team proved their playing ability last weekend as they came away from Umpqua Community College as Regional Champions with a team score of 14.

They were followed by North Idaho at 13, Chemeketa at 6, Lane and Umpqua tied with 4 and Mt. Hood at 1.

In finals action playing first

in the 1,000-meter run for the College.

Assistant Coach Kelly Sullivan stated, "We did well, but not as well as we had hoped."

This weekend, the Cougar tracksters will be competing in the Region 18 Championships, but won't be trying for a team victory. Instead, they will be trying to attain more national qualifiers.

"We'll sacrifice points for individuals. It's the last chance for a lot of the guys to qualify for the nationals," said Sullivan.

singles, Pat Philpot defeated Linda Gregor of North Idaho, 6-0, 6-3. Diane Kraxberger topped Chemeketa's Danette Gregg, 6-2, 6-2, in second singles. Bonnie Dillman played third singles, defeating North Idaho's Verona Ross, 6-1, 6-4, and at fourth singles Lisa Liechty was defeated by Kim Johnson of North Idaho, 6-1, 4-6, 6-4.

In first doubles play, Gregor and Jane Lee of North Idaho defeated Philpot and Kraxberger, 6-2, 6-3, and at second doubles Dillman and Wendy Young were downed in the semi-finals by North Idaho's Ross and Mara Vitolins, 6-0, 6-1.

"They played really good tennis," said Coach Gladys Michael. "I'm particularly pleased with tournament play because everyone did play well."

"They're one of the most prepared teams I've had, both mentally and physically," said Michael.

Michael said "they were really excited" coming away with the regional trophy. "They had pointed toward this all season. We knew from the start that we would be pretty good, and they never lost sight of taking it match from match."

Cougar netters will travel to Ocala, Fla., next weekend where they'll participate in nationals.

"We're not used to playing in hot, humid weather," said Michael, "and that will make a difference. Right now we're eating a lot of potassium foods to stave off cramping." Despite the weather factor, Michael said, "We're very excited about going."

HEADING TO THE REGIONALS—After taking second-place in the OCCAA Championships, the Cougar men's track team is headed for the Region 18 Championships this Friday and Saturday.

Men tracksters nab second in state

The College men's track team took second place in the Oregon Community College Athletic Association Championships last Saturday with 111 points, behind Lane Community College with 177 points.

Probably the biggest asset for the Cougars was Jim Holmes who individually collected 26 points for the College. Holmes set new school records in the 400-meter hurdles at 54.71 for third place, and the pole vault, traveling 14'6" for the record and a second-place meet finish in that event. Holmes also took sixth in the 110-meter hurdles at 15.94.

The College's Mark Barlow finished seventh in the 100-meter hurdles at 58.86.

One Cougar, Mike Miller, qualified for the nationals in the weekend meet. Miller took second place in the 800-meter dash for his qualifying time of 1:52.79, immediately followed by another Cougar, Monte Campbell at 1:56.47.

Cougar runners clocked a time of 42.15 in the 400-relay for first place.

Leading the pack in the 3,000-meter steeple chase was the College's Jim Colgan at

9:48.07, with Cougar Joel Bake taking fourth at 10:12.7.

Larry Psick from the College took second place in the 100-meter dash, against strong winds, with a time of 10.97, behind Richard Kroeger of Southwestern Community College at 10.92. Other Cougars in that event were Dan Martin taking third at 10.99, followed by Jeff Johnson, who placed fourth in a time of 11.31 while suffering injuries in the race.

Another second-place finish was gained by the Cougars in the 1600-meter relay as the last link of the relay team came across the finish line at

3:19.09, closely behind the 3:16.51 first-place time of Lane.

The twin combination of Manuel and Daniel West kept close together in the 400-meter for fourth and fifth place. Manuel's time was 49.83, and Daniel followed at 50.36.

College runners stuck close together in the 5,000-meter run as Jim Colgan took fifth at 16:21.91, followed by two more Cougars. Mike Chambers at 16:24.12 for sixth, and Jim Zumwalt at 16:26.55 for a seventh-place finish.

Joel Bake took a fifth-place

Women want national qualifiers

The Cougar women's track team managed a third-place conference finish last weekend as they scored 90 points to Mt. Hood Community College's 166 and Lane Community College's 147 in the Oregon Community College Athletic Association Championships.

The College tracksters hadn't entered the meet hoping for any state championship. In fact, they couldn't, because they don't have anyone in the jumping events.

"We did as well as we had hoped to as a team," stated Coach Marilyn Linsenmeyer, "but individually, some pulled through and some didn't."

Shavon Dennis grabbed a first-place victory for the Cougars in the 400-meter event as she swept across the finish line at 56.69, immediately followed by teammate Sue Hanneman with a second place time of 57.81.

The Cougars also captured a first-place victory in the 400-meter relay with a time of 49.69. The College relay team consisted of Hanneman, Dennis, Patty Richardson and Kelly Howard.

Dennis, the same person who gained a first-place victory in the 400-meter, and aided in Cougars' 400-meter relay

event, snagged a second-place victory in the 200-meter dash with a finishing time of 25.48. Dennis had a preliminaries time of 24.89, which is one-hundredth of a second shy of the school record.

In the 800-meter, the College's Debbie Simon was the second person to finish the race at 2:20.11. A Cougar follower was Jackie Beaudry who clocked a time of 2:21 flat.

Nancy Reynolds led the Cougars in the 3,000-meter event, taking third and clocking a time of 10:58.68, followed by Beaudry at 11:03.12, and two other Cougars, Carolyn Raimondi at 11:55.11 for eleventh, and Peg Winczewski at 12:53.11 for twelfth.

The combined College force of Reynolds, Beaudry, Simon and Beth Kokesh earned a third-place finish in the 3,200-meter relay with a time of 9:53.17.

Cyd McCormick grabbed third in the spear throwing event with a 138'7³/₄" toss as did Carol Ziemba in the shot put with a 37'9¹/₂" heave.

McCormick took fourth in the discus event with a 115-foot whirl.

The College also captured fourth in the 1,500-meter as Kokesh finished at 4:52.76, and Reynolds was the sixth finisher at 4:58.92.

ASG sponsors Babe Ruth b-ball

With the \$300 sponsorship fee from ASG, fifteen 13-15 year olds will be playing on a Babe Ruth Baseball team this summer.

College Engineering Supervisor Paul Roeder will be coaching the team, with assistance from various members of the College baseball team.

The Clackamas County youths who have been selected for the team were required to pay a \$20 sign-up fee to help pay for team expenses.

Another \$100 is expected to come from a concession stand that is planned to be set up.
