CCC NETTER PAM Burkert shines a sleepy smile during a recent 24 hour volleyball marathon that served to raise \$900 to \$1,000 for the team.

## Netters raise funds for travel

Cougar netters devoted their last weekend before Regionals Nov. 13-14 to successfully completing a 24-hour marathon that served to raise \$900 to \$1,000 for Regional and National travel.

"The marathon was to raise money for helping our budget and for Regional and National travel if need be," said Coach Loren Swivel.

The netters kept the ball going in some fashion from Friday 2 p.m. until Saturday 2 p.m. with the help of other Cougar teams. CCC's soccer, basketball, wrestling and baseball players dropped in to play and help the tiring netters stay awake throughout the

night.

Other activities used to keep the ball going were record breaking attempts at bumping, setting, serving, hitting against the wall and down-ball hits, as well as spiking.

Mary Imper and Pam Burkert set the bumping record with 4,620 continuous bumps. Setting was scored by assistant coach Mary Budnick and Cindy Jensen at 1,068. Kristen Woolheiser served 200 serves clearing the net and hitting in bounds. Barb MacDonald hit against the wall 225 times and set a spiking record of 135.

Beyond the efforts of the College's healthy netters, Ron-

da Western who broke hand in a recent match could stay out of action as she hit down-ball hits with her hand.

Terry Kelly was the netter to stay awake throughout the marathon. Having not slept for 29 hours due to Friday classes preceding the marathon, she commented, "I'll probably go and sleep."

Kelly's wakefulness followed by Pam Burkert slept only 1 hour in the night.

"It was a really excellent team effort," Swivel said. "It was tough and everyone did a job."

## Fifth annual turkey trot scheduled

TURKEY TROT-1981 sponsored by Clackamas Community College, Recreation Department and Community Schools will be held Nov. 21 at 9 a.m. beginning and ending at Stafford School in West Linn.

Registration deadline is

Nov. 18 with an entry fee of \$5; \$6 for late registration.

Registration forms may be obtained at Local Community Schools and at the CCC Recreation Department.

All participants will receive a T-shirt and a turkey will be

awarded to the winner of each age division: 12 years and under, 13-18, 19-29, 30-40-60, and 60 and over.

For more information contact Community Recreation 657-8400, ext. 211.

## Cougar netters fall to Ricks/Lane at regionals

The Volleyball team made it to Regional competition in Rexburg, Idaho last weekend, where they were eliminated after a tough, Friday the 13th round of play.

"The teams at regionals were definitely tough," explained coach Loren Swivel, "but we were competitive. The game against Rick's could have gone either way."

The regional meet includ-

ed Rick's College, who was playing at home, Lane Community and the Cougars. Lane emerged on top of the pack, with Rick's in second and the Cougars being dealt back-to-back losses the first day.

"We played pretty consistently, but there was a lot of pressure and everyone played well," Swivel said.

The first game of the day was Rick's versus Clackamas.

The Cougar netters took two matches, 15-13 and 15-13, with Rick's taking the first, fourth and fifth matches 15-11, 15-12 and 15-3.

"We let down a bit at the

end," Swivel commented, "but all the matches were good."

The second match-up of the day was CCC against Lane Community. Lane took three

of three matches 15-6, 15-13 and 15-9.

Swivel is not disappointed by the season, however. "Looking at the years as a

whole, the competition was stronger than usual. There were more truly competitive

teams. Usually there are two or three. This year there were five tough teams," she said.

This year's netters were a young team, with many returnees and everyone was Freshmen. The early season

echoed that problem. "We had a lot of games earlier this year," Swivel said, "but by the end

of the season we were doing much better. We won eight of the last ten games."

## Booters off to finals

Clackamas soccer made three recent victories that earned them an 8-0-1 league record and opportunity to defend their state championship against Portland Community College next weekend.

The Cougar booters defeated Judson Baptist 4-3 Nov. 4 and went on to beat Lane CC 4-2 and then Oregon State University 1-0 in the OISA semi-finals last weekend.

Four teams went to play-offs last weekend and with a PCC victory over Southern Oregon State College and the Cougar victory over OSU Clackamas will play in the final round of action.

Szanto feels that the victory for either team will depend on many things, and he stated, "If we play like we have been,

we can maintain the title. We shouldn't have any problem. We have a very fine team."

Last year PCC was the Cougar confrontation for the title and Clackamas downed them 3-0.

In the Cougar's semi-final game with OSU "Our biggest opponent was the wind and rain," Szanto said. "It rained so hard we couldn't see across the field and you can't play good soccer in the mud. We got the one goal, and just wanted to maintain," Szanto added.

The Cougar's are nervous now as they approach the final game of the season, the one that determines whether they maintain their state title.

"Everybody's nervous," Szanto said. "I'm nervous too. Almost everyone is expecting us to win."
