intermediate hurdles with a time of 54.9.

With five Nationals-bound team members out of action for last Saturday's three-way meet in Albany, the men's track team still cruised to another first place finish ahead of Linn-Benton CC and Central Oregon CC.

Clackamas finished with 104 points to Linn-Benton's 78 and Central Oregon's 19.

Mike Hortsch, who Coach Buck Monroe pointed to as one of the team's best performers of the meet, set a school record in the shot put with a heave of 53-6½. Hortsch's put also won him first place in the meet and a spot in the Nationals.

"Mike did a great job," Monroe said. Every one of his throws was over 50 feet. Hortsch also placed second in the discus with a throw of 123-11½.

Another key performer, according to assistant coach Kelly Sullivan, was the steadily improving Marcell Douglass.

Douglass long-jumped 20-8¾ to earn a first place finish in the meet. He also set a personal record with a javelin throw of 182-1 which placed him second in the meet to teammate Roger Barnhurst who threw the spear 209 feet.

Douglass also placed second in both the high and 400 meter intermediate hurdles with times of 16.0 and 56.4, respectively. Mark Barlow of Clackamas took first in the in-

The 400 meter relay team of Larry Psick, Les Taylor, John Martin, and Jeff Johnson turned a time of 42.1 to take first in the meet. Johnson also teamed with John Anderson, Dan West, and Manuel West to take an easy first in the 1600 meter relay.

Anderson and Manuel West finished 1-2 in the 400 with times of 49.6 and 50.4 respectively. Taylor, Psick, and Dan West placed 1-2-3 in the 100. Taylor's time of 10.7 is a league best thus far in the season. Johnson and Taylor also placed first and second, respectively in the 200.

Scott Anderson's long jump of 43-2½ was over a foot short of last week's performance, but was still good enough for first place honors in this meet.

Roney Macey ran the 5,000 in 15:05.6 to place first followed by teammates Kevin MacDermott and Marco Gutierrez who were clocked at 15:10.2 and 15:26.1.

Alan Wymore took 2:04 to run the 800, good enough for second in the meet. Mark Frickey's 6-4 high jump also earned him a runner-up spot.

"Over-all, it was a good job," Monroe said of the team's performance. "I think we're ready for the Mt. Hood relays." The Cougars have little choice but to be ready. The team travels to Gresham for the relays this Saturday.

The women's tennis team had an impressive open to league play last Friday as they rolled to an easy 5-1 win over Blue Mountain CC in Pendleton.

Blue Mountain's Carla Brown scored her team's lone win as she beat Mary Imper of Clackamas 7-5, 3-6, 6-1. The Cougs' Lori Dosier finished singles competition with a hard fought 6-7, 6-4, 6-3 victory over Chris Horn.

doubles play. Imper and Dosier also won easily 6-1, 6-2 over Brown and Horn to account for the final team score.

In exhibition action, Clackamas' Margaret Bierma and Sharon Bergstrom lost to Tammy Williams and Melissa Brewer 1-6, 4-6.

"The players played well," coach Gladys Michael commented. "We had a good team effort. I thought all three doubles teams played well."

Michael was also very pleased with the play of Wilkins and Dillman. "I have a feeling they're going to be outstanding in this league," she said.

Wilkins won 6-2, 6-2 and Dillman handled her opponent 6-1, 6-1 to help the women to a

3-3 tie with Treasure Valley here last Thursday. Imper and Dosier combined for the team's doubles victory.

Yesterday's match with Portland State University was postponed due to rain. The women play Chemeketa here this Friday at 3 p.m.

Surviving 1984

George Orwell's "1984" remains the most controversial prophecy of our century even today. Yet, the time of Orwell's nightmare is only two years away. How will America--and more important--mankind, survive until the year 2000? Will the world find itself in the throws of a Third World War? Will Israel survive the aggressions of the P.L.O? Will the post-Vietnam recession turn into a depression? These will be the questions we will try to answer in the Spring issue of RHAPSODY. But we need your prophecies as well.
