

Crowds throng to College Hoe Down, Timber Fest

QUEEN OF THE hill. Three youngsters battle it out to be the "King of the hill," but neither of the boys won, instead the girl did.

Timber Fest and Hoedown, 1982 was held on May 22, at the Clackamas county Fairgrounds in Canby. There were 17 logging events and the band, Wheatfield played at the hoedown.

"The Timber Fest was a real success," said Student Program Specialist, Dave Buckley. "Last year we held it at the College and there wasn't as large of a turnout."

Profits from the Timber Fest and Hoedown were expected to reach \$3,000, but with fewer people attending the dance than expected only \$1,000 was made. "The band was great and we were hoping to do better in money intake," Buckley commented.

Logging events included the "Horizontal chop." Ray Shummay won the event with a time of 1:12 minutes. The "Ax throw" was won by Doug Shannon. Dave Velle threw a keg 26'3" to win the "Beer Keg Throw."

At the top of the greased pole was a \$20 bill and Lynn Pruitt was the one to reach it. In "Cigarette Rolling," Steve Vohs had the winning smoke. Albert Schroeder won the Chocker Set in 18 seconds. Joe Gonzalas and Randy Minyard won the "Peavy Log Roll" in 42.1 seconds.

Also Keith Hayes won the Stock Saw in 45 seconds. Winning the Double Buck was Keith Felix and Dale Velle in 19.4 seconds. Duane Felix won the Hard Hit in 13 chops. In the Single Buck Keith Felix won in 42 seconds and Duane Flix won the Standing Block in 46.45 seconds. All first place winners received trophies and other prizes that were donated by Clackamas County businesses.

The Video Technology Department and Storer Cable TV filmed the Timber Fest events. After the College receives a copy of the film, they will show it. Store Cable TV will also show the film on their cable systems.

Dignitaries gather for by-pass ceremonies

The College last Thursday was the site for the Highway 212 Funding Ceremony which marks the beginning of actual construction of the by-pass scheduled for this summer.

Ralph Groener, Clackamas County Board of Commissioners chair and College Board of Education member, served as master of ceremonies.

Fred Miller, director of the Oregon Department of Transportation announced bids will be open for construction of the by-pass on June 24, and construction should begin about one month later.

Joan Cartales, mayor of Oregon City joked about how

long the by-pass has been in the planning stages. "Wasn't the by-pass originally planned for horse and buggies," Cartales said.

Senator Mark Hatfield and Gov. Victor Atiyeh were both scheduled to speak, but neither of them were able to attend the ceremony. Jerry Frank, administrative assistant to Hatfield was on hand to accept the key to the City of Oregon City. It is the first time that Oregon City, the oldest city in the Pacific Northwest, has ever offered anyone a key to the city.

Frank was also presented with a gold-spaded shovel to pass along to Hatfield. "There

will be a much bigger gift for him (Hatfield) when the by-pass is completed," Groener said.

Others on hand for the ceremony included State Representative Ed Lindquist, and college President Dr. John Hakanson.

'Stepparents survival' workshop scheduled

A workshop entitled: "Stepparents Survival Kit" will be offered at the College June 3, from 7-10 p.m. Participants will examine differences between traditional parenting and stepparenting through lecture and small group exercises. Taught by stepparent and counselor Tom Hibbert, the workshop will be held in CC 101. There is a \$3 fee.
