## Clackamas to host Regionals

"I would say that most of the guys are at the peak of their game," men's Tennis Coach Dave Buckley said. "They are starting to play their best. I'm very confident about regionals. I think the team is very confident about it also. But not over-confident. That could be a real disaster," he said.

This Friday, the team hosts the regional tennis tournament. "Mentally all of the guys are ready. All season you work towards this tournament. You have other matches, but this is where they are all heading," Buckley said.

"They have a good team attitude towards these matches. You either win it as a

team or you lose it as a team," he said. "Each player that wins counts as a point. People often think of the number one player as the catalyst of the team, but not here. Numbers one through six are of equal importance."

The College will have six singles players and three doubles teams representing them at the tournament.

"John Storm will be our number one player. John has played against some excellent players and won. His game has really come around. He will be the guy to beat," Buckley predicted.

"Byron Sullivan, number two, is also playing at the peak of his season. Byron is a strong player in both singles and

doubles," he said.

"Our one through five players are all really close," Buckley said. "They all play a tough game."

Third singles for Clackamas will be Tom Herkamp. "If Tom doesn't hurt himself he'll play a good game," Buckley said.

"Number four player Bob Martin is just coming over an injury but he will still be very strong," the coach said.

Number five player Steve Gorman is expected to do well. "Steve has been our most consistent player as far as win-losses. I'll expect he'll continue to do the same at regionals," he commented.

Ben Campbell will be the Cougar's sixth singles player. "I

consider Ben to be the best athlete on the team. Ben will be the one to tie it together at regionals."

John Storm and Byron Sullivan will be the head Cougar's doubles team at the tournament. "They're one of the better doubles teams in the state. They've played against four year schools and won."

Second doubles will be the team of Mike Wofford and Bob Martin. "Mike is an ex-

cellent doubles player. Bob adds strength to the team because of his quickness and competitiveness," Buckley said.

Steve Gorman and Tom Herkamp will make up the third team from Clackamas. "For a number three doubles team they are very strong," he said.

"We haven't had our seeding meeting yet but I'm hoping they'll all get seeded," Coach Buckley said.

## Javelin supremacy helps women in Regional track

The Clackamas women's track team made a respectable showing at the region 18 meet, largely in part to the Cougars supremacy in the javelin.

Clackamas placed fifth in the meet with 43 1/2 points. 20 of these points were registered in the javelin. The javelin competition saw Cougars score second through fifth, and eighth.

Sue Frank placed second with a toss of 154'1" and Sheri Hilton was third at 151'3". By bettering the National qualify-

ing standard of 130' and placing in the top three at Regionals, Frank and Hilton are eligible for the NJCAA meet in San Angelo, Texas, May 19-21.

Terri Kelly, on the other hand, found things a bit more complicated in her quest for a national berth. She had qualified several times, but she wasn't in the top three in the region. "We had to go in front of the school board to appeal, in order for her to be able to go," Marilyn Wynia said.

Debbie Koffel wasn't as

lucky. Koffel has been one of the school's top throwers all season, bettering the national qualifying standard numerous times. Though a back injury has slowed Koffel in recent weeks, she still threw 138'5".

Wynia explained that only three athletes in a given event could compete at Nationals from the same team. "It's a national rule, there's nothing we could do about it," Wynia stated.

Sheri Hilton had a busy two days in Pendleton. The Cougar sophomore competed in seven events. Hilton, who

will know Friday whether or not she made the grade in the heptathlon (top 16 qualify) used the seven events as a warm up. Besides her third in the jav, Hilton was fourth in the 100 hurdles at 15.8, sixth in both the shot put and high jump, 37'11" and 4'10" respectively, and seventh in the long jump at 16'2". She also teamed with Denise Wheatley, Suzi Graham, and Suzi Thompson in a third place 1600 meter relay team and a fifth place 400 meter relay team. Their times were 4:07.7 and 52.3 respectively.

Suzi Thompson placed fifth in the 800 meters with a time of 2:20.6 and Suzi Graham was clocked in 2:25. Soph Denise Wheatley was also fifth in the 400 intermediate hurdles with a clocking of 1:07.9.

Rick's College captured a narrow victory over Lane with a score of 128 to 124 1/2. The rest of the team scores were as follows: Mt. Hood 102, College of Southern Idaho 69, Clackamas 43, Linn-Benton 22, Chemeketa 19, Treasure Valley 19, N.I.C. 12, and Umpqua 6.
