Sophomore Byron Sullivan single handedly carried the Clackamas tennis team to twentieth place at the National tennis tournament in Ocala, Florida. 36 teams competed.

Sullivan, out of Grants Pass, Oregon, has been the backbone of the scrappy Cougar club all season long. The Oregon native was the only Clackamas netter to even make it past the first round.

"So many teams don't score any points," Coach Dave Buckley said in praise of Sullivan's standout performance. Sullivan was eliminated in the quarter finals by Strozier from Anderson Community College in South Carolina. Strozier, the number four seed, handed Sullivan a 6-2, 6-1 loss.

The Cougar soph, playing number two man for Clackamas, was awarded a bye in the first round. Sullivan then whipped German of Mitchell C.C. in Conneticut, 6-0 and 6-2.

"We lost four matches in the third set. We'd win the first set then drop the next two because of the heat. Actually we should have scored more

points than we did. Most of they guys we lost to were from the South. I'm not saying we would have won more matches if the tournament was held up here, but the weather was a factor," Buckley commented.

Top Cougar John Storm lost a close decision to Mike Reid of Wilmar, Michigan 6-3

and 6-4. "We had so many close matches," Buckley said.

Tom Hercamp, playing at the number three position, lost to Cowley City, Kansas' Mike MacDonald 6-2, 6-0. "I've been out (in practice) with Tom and he's played six sets, after one (in Florida) he was done," Buckley stated.

Bob Martin, who figured to be in the money at the number four position, was dealt a handy defeat by number six seeded Thorp of Paris, Texas, by a count of 6-1, 6-1.

John Gorman was one of the few to even take a set in the tournament as he won the first set against Paul Clark of Paris, 6-3. The heat then took its toll, as Gorman dropped the next two sets 3-6, 3-6.

Sixth man Ben Campbell dropped straight sets to Jefferson's Leibracht 6-0 and 6-0.

Seminole Community College of Orlando, Fla. won the team title. They were 40-0 and beat the top ranked NAIA school, Tyler, Texas was second, and Central Florida was third.

"I played out there one day. You can't even describe it," Buckley said of the weather.

The 1983 Cougar golf team putted to their last hole in Tokatee, Oregon as they ended their season with a second place finish in the Tokatee Invitational and took third in the Region 18 Tournament.

Hood Community College won the invitational with a 315. Coach Jim Hudson commented on the team's play say-

ing, "We didn't play that well in the Tokatee Invitational. The team needed to work more on the shots they were having problems with. However, they didn't put in the necessary time and it shows in their scores."

The Cougars returned to Tokatee on Sunday, May 22 for a practice round against all the teams competing in the Region 18 Tournament. The following two days, Monday and Tuesday, the Region 18 Tournament took place.

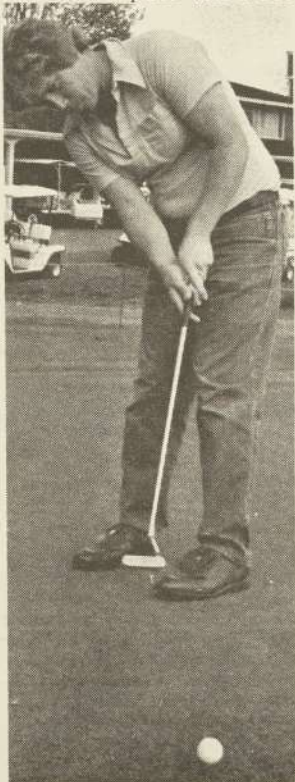

Although the Cougars were blessed with beautiful weather, they were continually plagued with high scores.

The first day of the tournament the Cougars shot a 323 which was enough for a first round, third place standing below Treasure Valley's 305 and Mt. Hood's 320. Linn-Benton with a score of 335. Individual first round Cougar scores were as follows: Dave Reichert-77, Tom Thompson-80, Dave Stephens-80, Andy Goodard-86, and Todd Frederichs-88.

648.

Treasure Valley won the tournament with a second round of 306 bringing their total score of 611. Mt. Hood shot a second round of 316 to take second place with a 636

81, Dave Reichert shot an 85, and Todd Frederichs scored a 91.
