

# Mark Allen Places 2nd At Championships

By Rodney Fobert  
Of The Print

The 1984 cross country season has drawn to a close with the running of the Northwest Athletic Association of Community Colleges (NWAACC) championship meet last Friday. The meet was held in Spokane and included community colleges from Washington and Oregon.

The five mile race was held on what Head Coach Alan Knoop called, "A fairly challenging course." To make

it even more challenging for the runners, the course was treated to nearly five inches of Snow the night before the meet.

The snow made the course extremely slick but fortunately the Clackamas team was prepared for the slippery conditions with spiked shoes.

Coach Knoop commented that many runners from other schools did not bring spikes and therefore found the slippery course much more difficult.

The championship meet was won by the team from Bellevue. Clackamas placed fifth in the overall standings.

Mark Allen was the leading Cougar runner, placing second in the meet with a time of 26:58. Coach Knoop said that Allen had been running well all week in practice and really turned it on at the meet Friday.

Close behind Allen was Clackamas runner Rob Durkee who placed fourth in the race with a time of 27:05. Knoop felt that Durkee started out the race "sort of conservative," but then really picked up the pace and ran a great race.

Also finishing for Clackamas were Jim Hogue, Bill Myer, and Jeff Darling, although exact places and times of these runners was not known at press time.

CROSS COUNTRY COUGAR Mark Allen is caught on film during a practice session prior to the NWAACC championship meet. Allen place second in the meet which was held in Spokane, Washington.

## Siler Wins NWAACC Championships

By Rodney Fobert  
Of The Print

Julie Siler, the only girl from Clackamas to compete at the Northwest Athletic Association of Community College meet, didn't let the cold air and snow stop her

from doing anything less than winning the race. Girls cross country coach Marilyn Wynia had been predicting all along that Siler could win the championship meet, and she proved just that last Friday.

Siler's teammate, Mo

Schrader, was unable to compete in the championship meet due to a knee injury which has

been giving her trouble for the whole season. Siler's winning time on the 5000 meter (3.1 miles) course was 19:48.

## KEEP UP IN A CHANGING WORLD

Take advantage of the wealth of knowledge available from your Government. The U.S. Government Printing Office has produced a new catalog. It tells about the most popular books sold by the Government — nearly 1,000 in all. Books on agriculture, business, children, diet, energy, health, history, space, and much more.
