

# Clackamas women take league championship

In a barn burner against Linn-Benton Community College, the Clackamas Community College women's basketball team emerged victorious in more ways than one.

Not only did the Cougars beat a team which they had lost to earlier in the season, but the win against the team from Linn-Benton also clinched for them the league championship. In addition, this feat marks the first league championship for Clackamas' women's basketball.

Although the Cougars beat the Linn-Benton team, it was anything but a blowout. The lead flip-flopped throughout the game with the Cougars behind by as much as nine points at one point. At half time the Cougars were up by

five points with a score of 32-27.

The Cougars biggest task was to shut down Linn-Benton's big post position who scored 41 points in the game. Joanne Ineman was up to her usual level of excellence for the Cougars, however, and matched that score with 41 points of her own. Patti Mattis, who Coach Phil Garver describes as "the most consistent player of the year," chipped in with 11 points.

It was Jeanne Doherty who secured the Cougars victory in the final seconds of the game. With eight seconds left in the game, the Cougars were ahead by a mere one point when Les Kingsbury earned a trip to the foul line. When Kingsbury missed the front end of the one and one freethrow attempt, Doherty was there to grab the rebound and put it right back

up and through the hoop. The Linn-Benton team soon found that time had run out on any hopes they had of overcoming the three point deficit. When the final buzzer sounded the score board showed Clackamas ahead 70-67.

Doherty grabbed a total of 12 rebounds in the game. Coach Garver was quick to add that the support of the Clackamas baseball team proved to be a great boost for the lady roundballers.

Earlier in the week, the women Cagers once again kept the spectator's hearts beating fast with a two point victory over Lane Community College. Coach Phil Garver insists that the Cougars had control of the game all along but created some bad turnovers near the end. The Cougars were a full six points ahead with 40 seconds left in the

game but a surge by the Lane team narrowed that lead down to two points by the time the final bell sounded.

Joanne Ineman once again led scoring with 17 points. Jeanne Doherty got into foul trouble in the first half but then came back to put in an excellent second half scoring 12 points in the game. Patti Mattis was also in there with eight points and eight rebounds. Final score of the game was Clackamas 58, Lane 56.

The Cougar's end the regular season of play with an overall record of 24 wins and 2 losses and a league record of 13 wins and 1 loss. They will next be participating in the Northwest Athletic Association of Community Colleges championships beginning on February 28 in Washington.

## Grapplers rank high in nation

Clackamas' Wrestling team will be competing in the Regional tournament in North Idaho this weekend. This tournament will determine which of the wrestlers qualify for the Nationals.

Clackamas is ranked number seven out of 200 teams in the National Junior College Athletic Association (NJCAA), with Iowa Central being the number one, two time defending Champion Triton College from Chicago is at the number two position, North Idaho is number three and Ricks' College from Idaho is in the top 20. "Some of these colleges are in our region, so we have some of the top teams to compete against in normal meets," Berney said.

North Idaho is probably Clackamas' arch rival and

they have to beat North Idaho to take the region. "We were second to them last year. They have won every year since 1974," he added.

Some of the teams that will be going to North Idaho will be coming from Oregon, Washington, Idaho and Colorado. The first session round begins at 1:00 p.m. on Friday. The second session also begins at 1:00 p.m. on Saturday and at 6:00 p.m. Saturday evening the third session begins with the Finals for the Consolation places. The Championship Finals begin at 7:00 p.m. Awards will follow immediately after the final match and a coaches meeting will immediately follow the awards to determine the National participants. The top two individuals, plus five extra "wild cards" will be the ones chosen

for Nationals at the College of Du Page in Chicago, Illinois.

Because of a knee injury, Larry Jo Tanner, the defending National partie, will be out for the rest of the season, and Laurence Owens, from Canby will replace him.

Other wrestlers include sophomores Robert Young, defending Region Champion in the Heavy weight division, at 126 weight division is John Wachsmuth, who took second in regionals last year and Tom Mannen, a transfer from Mt. Hood Community College, who holds the number one seat in the 134 weight division.

At 118 pounds is Ed Killian, 142 pounds Chuck Calhoun and Jim Bishpham, 158 pounds Frank McKinnis, 167 pounds Tony Hickey, 177 pounds Al Nicholson and at 190 pounds is Tim Marcum.

To our Cooperino: Our nights are not the same without you. We miss our nightly walks under the moonlight and bright stars. The few glances that we do see of you everyday just aren't enough to fulfill our desires. It's plain to see your attention is now focused upon "brown eyes" instead of our green eyes. So, for the moment, we'll stay in the background and hope maybe someday you'll focus your eyes our way...signed, 2 broken hearts. P.S. Are you going to make her brown eyes blue?
