Top Clackamas tracksters qualify for championships

By Rodney Fobert
Of The Print

Competing in the Region IV Track and Field Championships on May 10 and 11, the team from Clackamas Community College posted a number of outstanding finishes. The sparse turn-out for track at Clackamas prevented the Cougar team from placing high at the meet, which was won by Lane Community College.

Freshman Chris Orblum not only won the long jump, he also broke the College's school record for the event. The previous record of 23-4 set in 1982 by Marcell Douglas, has now been replaced by Orblum's winning jump of 23-8 $\frac{3}{4}$.

Orblum also grabbed second place in the triple jump

with a distance of 45 feet. Coach Monroe, however, pointed out that Orblum, "had a couple of good scratches that might have won." Orblum also competed in the 100-meter dash and placed sixth in the event.

Running in the 1500, Rob Durkee was narrowly edged out, and placed second. His time of 3:50.9 was not only a personal best mark for Durkee, it was also better than the previous meet record which was set in 1980. The winner of the race recorded a time of 3:49.8.

Coach Monroe said, "I thought Rob would win the 1500, but I wasn't disappointed. The 1500 is competitive. You've got to be a good runner." Monroe added, "Any other year he might

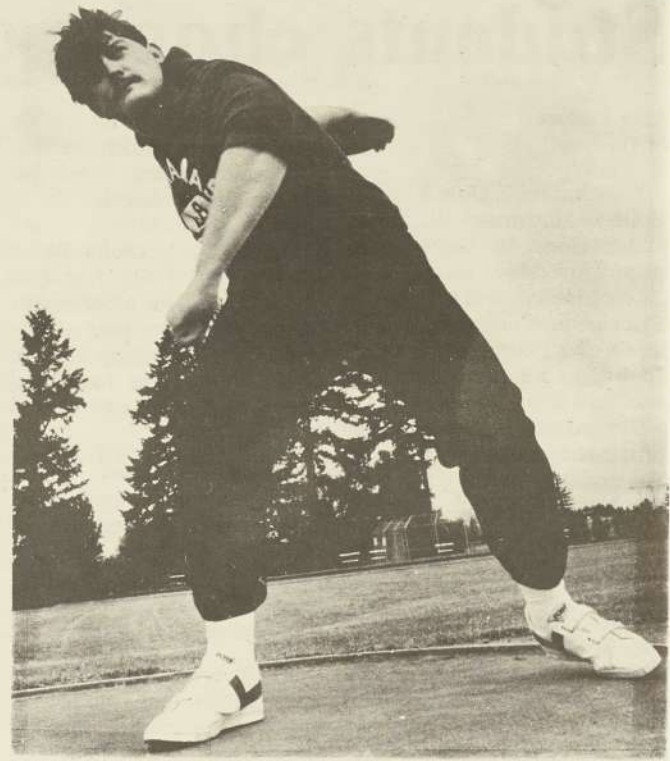

have won."

Also turning in a good finish for the Clackamas team at the two-day event was Mark Allen. Allen ran to a second place finish in the 10,000 with a time of 33:11. He turned in a fourth place finish in the 5,000.

The Cougars will be sending five athletes to the NWAACC Championships on May 17 and 18. The conference athletes are required to meet a particular qualifying mark in their event in order to participate in the meet. Top qualifiers from Oregon and Washington will compete in the championships which will be held in Spokane, Wash.

At the NWAACC meet, Durkee will be attempting to avenge his recent defeat when he runs the 1500, while teammate Allen will compete in the 10,000. Coach Monroe predicts that "Rob and Mark will have a shot at winning," adding that Durkee and Allen "have had a good year."

Orblum will also be com-

peting at the NWAACC meet in the long jump and triple jump. In the 100, the Cougars will be represented by Jeff McLaughlin.

Rob Durkee is expected to run the 5,000, but has recently been bothered by the muscle pull in his leg. It is still unsure if he will be ready to run in the championships.

\$21,000

That's Army math. It means that after 2 years of college (60 semester hours or equivalent) and a 2-year enlistment, you could have up to \$21,000 to continue your education. Courtesy of the New GI Bill + New Army College Fund. (Effective July 1, 1985).

That other 2 means you can get two years of ROTC credit by enrolling in ROTC at the third year level (with the approval of the college's Professor of Military Science) when you reenter college. You'll earn \$100 a month in ROTC.

Qualify, and you'll start your enlistment with a promotion. And just because you're out of school doesn't mean you stop learning. We'll teach you a skill that can help you go places later.

And you'll go places now, because we give soldiers an opportunity to travel. And a chance to make new friends.

Not to mention a lot of money for college. Plus the chance to become an Army officer. Contact your local Army Recruiter today.
