Joanne Ineman, a transfer student to Clackamas this year from the University of Arizona has signed a letter of intent to go to school at Louisiana State University next year.

"I am nervous about going there. They are really good and I really had to challenge myself to go there. Other schools that are good aren't as competitive. I can hardly believe I am going there. I've been working out and I'm in the best condition, in some ways I am going to miss Oregon but not the weather.

Joanne went to high school at Olmstead Falls High School in Ohio and graduated in 1982. Her freshman year in high school, Joanne averaged

18 points a game. She received honors like Most valuable player of the Southwest Conference, Plain Dealer Player of the year, and All-Press Player of the Year.

Ineman won those three awards for four years running. She was also named All-State Honorable mention and her team was ranked number one in the State of Ohio with a 20-0 record. Her sophomore year she averaged 28 points

per game, was All-Ohio player of the year for the next two years, was on the Converse All-American "3 team", she was given the Street and Smith All-American honorable mention and her Team was ranked number two in the state.

Joanne's Junior year she averaged 32 points per game, was on the Converse All-American number two team, she was the MVP of greater Cleveland, She was chosen for Street and Smith's second team and her team was second in the State.

As a Senior Joanne averaged 45 points per game was on the Converse All-American second team, She was chosen for Street and Smith's number one team, she was featured in "Faces in the Crowd" in Sports Illustrated, she received the Hertz "number one" award of Ohio, she held the state record for Points Per Game (Male and Female): 75, and she was the first female ever to receive the Cleveland Touchdown Club Special Recognition Award.

For her Freshman year in College at the University of Arizona, after having to contemplate over 200 scholarship

offers, Joanne, as a starting guard led the team with an average of 15 points per game. She was chosen as a player of the week in WCAA Conference and had the school record of 34 points in a game against Arizona State University.

After writing to several colleges Joanne came to Clackamas. After playing here for a year, Joanne received such honors as being chosen for first team all league. She set the NWAACC record of 57 points in one game. She was chosen the MVP in the Three States Tournament, she was chosen for the second team all tournney, she averaged 27 points per game.

Phil Garver, the Women's Basketball coach, said, "She helped me out a great deal this year and she's been on TV twice. The TV crews came out and interviewed her and even played her a game of horse, which Joanne won. She's done a lot for us, for sure." he said.

Joanne said she was going to miss her coaches. "I think the coaches here are perfect for getting athletes ready for four year schools. I lucked out on coaches here. Phil and

Joanne Ineman

Slick could easily be coaching at four year schools. I'm glad I came to Clackamas. It has really helped me a lot."

\$21,000

That's Army math. It means that after 2 years of college (60 semester hours or equivalent) and a 2-year enlistment, you could have up to \$21,000 to continue your education. Courtesy of the New GI Bill + New Army College Fund. (Effective July 1, 1985).

That other 2 means you can get two years of ROTC credit by enrolling in ROTC at the third year level (with the approval of the college's Professor of Military Science) when you reenter college. You'll earn \$100 a month in ROTC.

Qualify, and you'll start your enlistment with a promotion. And just because you're out of school doesn't mean you stop learning. We'll teach you a skill that can help you go places later.

And you'll go places now, because we give soldiers an opportunity to travel. And a chance to make new friends.

Not to mention a lot of money for college. Plus the chance to become an Army officer. Contact your local Army Recruiter today.

With the long hours of practice and competition behind them, the men's and women's tennis teams of Clackamas Community College celebrated their season's end with a team barbecue. The men's team, along with Coach Kathie Woods, held their picnic at Westmoreland Park on May 22 while the ladies team barbecued at the home of their coach, Nancy Mikleton, on May 29. Adding to the

festivities, the coaches announced the winners of the team awards which were voted on by the team members.

Voted as the Most Valuable Player on the men's team was Renato Iwersen. Iwersen played at the number one position on the Cougar team throughout the season. The women's team voted their number one player, Edie Bauer, for the MVP award.

The men's team voted Steve Lewis as the Most Improved during the season. Lewis played the number five posi-

tion on the Cougar team. The Most Improved award was voted to "The Team" by the Women.

The Most Inspirational award was presented to Tim Marshall, the men's number six player, while the women's team chose their number two player, Laura Novak, for the award.

The men's team also gave a Team Captain award for the season. Gaining the honor was the Cougar's number two man, Mike Miller.
