For that matter, if you have any story ideas that have not been covered contact me as above.

Team opens season at Ice Breaker

by Christopher Curran
Sports Editor

The Clackamas track team presented itself at the Linfield Ice Breaker March 7 in McMinnville.

The meet was a warmup for the Oregon Invitational March 14. On the women's side of the field, Jean Barnett ran a 11:18.3 (11 minutes, 18 and three-tenths seconds) to qualify early for the northwest championships.

Jackie Harper turned in a 18 second performance in the 100 meter hurdles and was clocked at 1:15.7 in the 400 meter hurdles,

which are both "pretty good results" according to Coach Mike Hodges.

In the shot put competition, Carrie Novikoff put the shot 37 ft. seven inches, which was near her best from last year. Dena Raddle ran the 800 meters with a time of 2:39.5 and Maggie Stratte ran a 5:37.9 in the 1500 meters.

Hodges said the high points for the men were Willie Huson's 9:34.6 performance in the 3000 meter steeple-chase, Greg Suiter's 4:06.8 in the 1500 meters, which was five seconds faster than he

"We're trying to upgrade the (track) program so we're getting performances out of true student athletes that will reflect well on the college."

Mike Hodges
Track Coach

started last year, Rick Hansen's 400 meter hurdle time of 58.7 seconds, and the 5000 meter times of 15:38.3 and 15:45.2 by Dan Muse and Mike Smith.

"We definitely need an improvement in the sprinting area," said Hodges. Hodges said that the team's goals were to finish in the top three in the state cham-

pionships and bring back at least one trophy from the northwest championships.

"We're trying to upgrade the (track) program so we're getting performances out of true student athletes that will reflect well on the college," expressed Hodges.

SET TO FIRE- A member of the Clackamas track team prepares to thrust the javelin during practice. The team takes to the field Sat. in the Oregon Invitational in Eugene.

Intramural teams compete

by Carolyn Clinkingbeard

Reporting II Class

The All Stars and the Data Generals, two of Clackamas Community College's intramural basketball teams, clashed at noon Feb. 26.

The Stars rolled over the Generals 67-35. The Stars dominated throughout the game although the Generals kept tossing.

There are eight intramural teams, whose purpose is recreation. Team membership may vary, but once a player has played any part of a game for one team he may not play for another team. A player must be signed up on the team roster prior to the start of the game. Each team is required to furnish its own official. Games start at 12:10 p.m. on Tuesdays and Thursdays.

A single elimination tourney is held, based on the round robin seeding format. The winner of the single elimination tourney will be declared the Champions. The final games for this term will be played March 12.

There's plenty of room in the bleachers. All of you hoopster fans are welcome to come cheer for your favorites.
