35mm Color

Prints and Slides from the same roll

Seattle FilmWorks has adapted Kodak's professional Motion Picture film for use in your 35mm camera. Now you can use the same film—with the same fine grain and rich color saturation—Hollywood's top studios demand. Its wide exposure latitude is perfect for everyday shots. You can capture special effects, too. Shoot it in bright or low light—at up to 1200 ASA. What's more, it's economical. And remember, Seattle FilmWorks lets you choose prints or slides, or both, from the same roll. Try this remarkable film today!

FREE Introductory Offer

RUSH me two 20-exposure rolls of Kodak MP film for my 35mm camera. I'd like 2-roll starter pack including Eastman 5247* and 5294.* Enclosed is \$2 for postage and handling.
