The athletes of Springtime...

Whether it's track, softball, baseball, or wrestling, it's at Clackamas this spring. It all started on a cold day in March for the track team in McMinnville. The softball team matched up against Warner Pacific at Clackamas March 10. The Cougar baseball team started to play ball March 21. Coming off their second place finish at nationals, the wrestling team currently has some wrestlers preparing for a College Exchange Tournament.
