The Clackamas Cougars volleyball team hosted the Cross-Over tournament on Oct. 9 and 10 in Randall Hall. This eight team round robin tourna-

ment pitted Clackamas against teams from four different divisions.

The Cougars got off to a hot start on Friday, with an opening win over Blue Mountain 15-12, 15-13. Clackamas then lost to Clark 9-15, 1-15, but rebounded with back to back wins to keep their hopes of a first place finish alive. Columbia was the first victim Clackamas dealt a loss, beating them 15-13, 15-11. Next up was Pierce, and the Cougars embarrassed them in the first match, winning 15-1, 15-10.

Shoreline 9-15, 6-15, forcing a tie between Clackamas and Shoreline for the number four seed. Shoreline once again beat the Cougars, 9-15, 8-15, eliminating Clackamas from tournament play with a fifth place finish.

"I was pleased with the way we played Friday; we took a match from a very good team, (Highline)...we were able to maintain our intensity, something we haven't been able to do," remarked Clackamas coach Kathie Woods. Woods wishes she

Saturday's play by the Cougars was anything less than spectacular, but coach Woods did like the efforts she saw of Margie Sedam. "Margie came in, and sparked the team Saturday, she showed good leadership."

Clackamas is 1-3 now in

league, and will close out the first half of league play this weekend when they hit the road for a pair of games. Umpqua will be the Cougars first stop Friday before facing league power Southwestern on Saturday Oct. 17.

Margie Sedam's play Saturday impressed Coach Woods. Sedam's efforts were in vain as Clackamas lost to Mt. Hood and lost twice to Shoreline.

"I was pleased with the way we played Friday... we were able to maintain our intensity something we haven't been able to do."

Next up for Clackamas was a very good team from Highline. Clackamas won the first match, but had to settle for a split, when Highline came back to win the next match 15-9.

After the first day of competition had ended, the Cougars had amassed a very nice 7-3 record, and were right in the picture going into play on Saturday.

That's when the roof caved in on Clackamas. They opened the day by losing to Mt. Hood 8-15, 3-15, followed by a loss to

knew the reasons for her teams downfall in day two of the tournament. She doesn't, but she does have an idea why her team's play was not in top form. "We were unable to come back Saturday and show the same intensity that we showed Friday. Friday's play was good, and Saturday's was discouraging."

Niki Beiser once again earned the praise of her coach for her play Friday. "Niki had a good day Friday, Tammy did a good job setting, and Cheryl did well at the net."
