

# PHOTO ESSAY

Photos by Julie Church  
and Beth Coffey

Just a bit of horsing around  
as spring fever affects two  
students after classes Monday.

Two children are escorted  
through the ELC by their  
mother, during one of  
the warm, sunny days this  
past week.

Students dress for the sun  
and take a rare opportunity  
to enjoy a sunny day in  
CCC's courtyard.
