Cougars down Olympic College in first win

The Cougar football squad takes to the offense as quarterback Craig Johnston prepares to hand-off the ball during last week's game against Olympic College.

Clackamas Community College's football team won its first game this season downing Olympic College of Bremerton 15-0 last Saturday at Gladstone High School.

Quarterback Craig Johnston, from Rex Putnam High School, scored the Cougars' first touchdown when he ran the ball 26 yards to conclude a 66 yard drive. Buddy Patnode kicked the extra point, giving the Cougars a 7-0 lead.

Steve Rumrey, formerly of Sweet Home High School, scored the other Cougar touchdown run with 31 seconds to go in the game. Grant McCulloch added a two point conversion to complete the Cougar scoring.

Olympic's Rangers threatened in the second quarter but with six yards to go they were penalized for clipping. Olympic's Rick Landshut then missed a 35 yard field goal attempt. Landshut also missed a 47 yard try.

Olympic also missed another scoring opportunity in the second quarter when an offensive pass interference penalty in the end zone turned the ball over to the Cougars.

Both teams were plagued with penalties during the game. CCC drew 11 for 112 yards while Olympic totalled 17 for 175 yards.

Linebacker Bill Sehorn, Aloha, and defensive end Mark Stennfeld, LaGrande, led the Cougar defense in the fourth quarter when the Rangers brought the ball to the Cougar 25 yard line on two separate occasions. Defensive back Tom Connell, of Central Catholic, stopped another Olympic charge by intercepting a Ranger pass at the goal line and returning it 40 yards.

The Cougar defense held the Rangers to 224 total yards, 145 rushing, 79 passing. Bill Sehorn tallied up 24 total tackles and was followed by Mark Stennfeld who had 16. Other standouts for the defensive side were linebacker Jeff Harmon, the Dalles, and backs Pat Moran, Forest Grove, and Mark LeRoy, Seattle.

Leading the Cougars on the ground was Andy Phillips, who collected 59 yards on 9 rushes before getting injured, and fullback Son Miller, who gained 64 yards on 11 carries. Clackamas gathered 239 of the 240 yards on the ground.

The Cougars are now 1-3 for the season and are preparing to play at Yakima Valley this coming Saturday. The Cougars will play without the aid of Phillips, due to a sprained ankle, and offensive guard Kelly Miller, who is out with a separated shoulder.

Soccer team loses opener

On Saturday, October 2, the Clackamas Community College soccer team dropped their first match to an experienced Pacific University squad, 2-0. Clackamas, having had only four days of practice as opposed to four weeks for Pacific, gave a good showing as they put extensive pressure on Pacific's defense throughout the first half. However, inexperience showed as poor shooting by the Cougar forwards saved Pacific many times.

Both of Pacific goals came quickly. The first came two-thirds of the way through the first half as a Pacific player broke

through the CCC defense leaving the goalkeeper no chance for a save. The second Pacific goal was scored about ten minutes into the second half on a forty yard shot that found the upper left-hand corner of the net just out of the reach of the goalkeeper.

Two Clackamas players and one Pacific player were ejected from the match forcing Clackamas to play one man short for the entire second half.

Being new to the game, the Clackamas soccer team needs only experience and shooting practice in order to hold their own.

Fall intramurals offered

Intramural sports to be offered fall term are volleyball, flag football, table tennis and cross country which will be offered later in the fall.

A meeting will be held for football, volleyball and table tennis October 7, 11 a.m. in the Randall Hall gymnasium.

All information for sign-ups and sports in season will be posted on the intramural bulletin board in the student community center.

Page 8

Winter term sports to be offered are basketball for men and women, badminton and table tennis.

Spring term sports will be track and field, softball and three-man basketball.

There is a need for work study students' assistance in all sports listed. Please phone Les Tipton, Intramural Supervisor, the Athletic department, ext. 291, or the art department, ext. 269.
