## An old joke never dies

Today and tomorrow the election of the student senate will be taking place.

There are 15 positions to be filled and 22 candidates. Last year there were 15 positions and 15 candidates, a situation which Assistant to the ASG President Jerry Bellavita said "was kind of a joke."

This year's election will be no less a joke than last year's election.

It seems ironic that Bellavita made the "joke" comment during what had to be the biggest joke of this year's election -- the Student Senate Forum.

The forum was held to give the senate candidates a chance to relate their qualifications and aspirations to the student body as well as give the student body a chance to ask questions of the candidates. We hope that the dozen or so students who paid attention to the proceedings got something out of the forum.

There was almost as little participation shown on the part of the candidates at the forum. Only four candidates were actually present at the forum and two other candidates had statements read by Bellavita.

The six candidates who participated -- in one way or another -- were Howard Burke, Tom Blether, Candice Schwabauer, Earl Diment, Maureen Kearney and Ken Roberts.

By the way, this version of the forum is only half the story. The second session of the forum saw only one candidate participating; one who had taken part in the first session.

The next bit of humor stems from the way names were allowed to be placed on the ballot.

It was discovered the ASG constitution has made no provisions for the necessity of candidates turning in petitions with a set number of student signatures.

For all we know, students may have decided to do something hilarious like putting the name of an imaginary student on a petition.

The election as a whole has been unorganized. It was scheduled that elections would start three days after the due date on the petitions. This leaves three days for candidates to "campaign" among the student body. Hardly enough time to "barnstorm" the campus.

But maybe there isn't enough interest on campus to warrant serious campaigning. If there was interest then all of the candidates would have taken advantage of the forum instead of a mere handful.

'MEANWHILE . . . BACK AT THE FORUM . . .

# letters

To the Editor:

Clackamas Community College is offering a Paper Recycling Program on the campus. Each individual should keep their separate from the garbage. Faculty members may keep a separate container on or by every desk and when that container is full it should be taken to a central location and picked up by a work study student. The central barrels will have a list of what kind of paper can be recycled. Paper that has private information on it can be torn in half.

Most people now realize that recycling paper is not merely a "good" cause. It has become a necessary fact of life. We are using our natural resources at an exponential rate, much more quickly than they can be replaced by nature. Waste paper comprises the bulk of society's garbage and yet it is one of the most recyclable materials.

If an area needs a centrally located barrel, or your barrel is full to be picked up, call ext. 232. You can also call if you have questions or input into the program. Let's all work together in making our CCC Recycling Paper Program a successful one.

#### PAPER THAT IS RECYCLABLE:

computer tab cards  
 computer print outs  
 office supply paper  
 junk mail  
 pamphlets  
 newspapers  
 envelopes  
 colored paper  
 NRC paper  
 file folders

#### PAPER THAT IS NOT RECYCLABLE:

paper towels  
 paper plates and cups  
 carbon paper  
 typewriter ribbons and stencils  
 waxed, plastic, or foil-lined paper  
 food, gum, and gum wrappers  
 cigarettes and cigarette wrappers  
 styrofoam cups and kleenex  
 magazines and books  
 pressed board paper

In order for recycling to work we must all do our share. Please help keep the paper barrels clean by not putting garbage in them.

Clackamas Community College  
 Paper Recycling Committee  
 Jerry Bellavita, Chairperson  
 Portland Recycling Team  
 Irene Grudzinski, High Grade Member

The COUGAR PRINT welcomes letters to the editor. It is the editorial policy of the COUGAR PRINT to accept only those letters which have been typewritten, double-spaced and which have been signed by the person submitting the letter. The editorial board also requires that at the bottom of the letter the person or persons writing the letter type his full name, address, and a phone number where that person can be reached for verification.
