Clackamas Community College's defensive squad takes out its aggressions on a hapless Walla Walla team during last Saturday's game, which the Cougar squad won by a score of 16 to 3.

Cougars shine in victory over Walla Walla

Clackamas Community College football's strong defense was again their main asset as they stroked Walla Walla 16-3 in Saturday's game. Quarterback Pat Moran, kicker and defensive back Ruddy Patnode, booted in a field goal and the team on the scoreboard one minute before the end of the first quarter.

Quarterback Pat Moran fired two touchdown passes during the game, one to J.B. Brown, wide receiver, and an 18 yard bomb to Cannady, split-end for the squad. The Cougar linebackers (Bill Sehorn, Jeff Brown, and Brian Frietag) and all-freshman secondary (Tom Connell, Mark LeRoy, Steve Ward, and Greg Hoff) grabbed five of Warrior passes, making a season's total of 12 interceptions.

The defensive line (ends Mark Stennfield

and Kim Roehl) and tackles (Mark Wilson and Dan Clark) were the key to holding Walla Walla to 50 yards rushing. This victory has given the Cougars league standings of 4-2 for the season. The CCC squad has allowed only three points to be made against them in their previous four games.

This was a definite ground game for the Clackamas gridders as they accumulated 145 yards rushing as opposed to 34 yards in the air. The Cougars' next game is likely to be their toughest this season, as Mt. Hood CC is on an 18-game winning streak. Game time is 8 p.m. in Gresham.
