It seems like Managing/Feature Caree Hussey was always "facing" a deadline.

Like any good staff, mine was always preparing for a meeting. Here, Adviser Linda Vogt (partial left) supervises the gathering process. Standing are (background l-r) Reporters Staci Beard and Amber Cordry. Seated, awaiting my instructions, are (l-r) Photographer Tara Powers, Business Manager Angela Wilson, News Editor Briane C. Dotson, Reporter Dan Fulton, and Sports Editor Mark Borrelli.
