

Men's track holds perfect 13-0 record

by Dan A. Fulton
Sports Writer

The Clackamas Cougars men's track team claimed another first place victory over their competition taking them to 13-0 for the year, while the women dropped their record to 10-3, finishing in third place, behind Lane and Chemeketa.

For the men, two more school records were broke. Mike Heib keeps on breaking his own records, as he shattered his last javelin toss with a distance of 224'4", blowing away the nearest competition by 25 feet. The other school record was set by Gabe Crane in the 400 meter hurdles, taking first place victory with a time of 52.9 seconds, which was good enough to beat Randy Fish's personal record of 55.4 seconds giving himself a second place finish. Crane also hurdled his way to a first place finish in the 110 meter hurdles with a time of 14.8 seconds.

Other finishers saw Nav Larson run past the competition in the 400 meter dash in 47.7 seconds. In the 100 meter dash, Fish and Todd Gibson finished third and fourth. Fish came in with a

time of 10.7 seconds, which was his second personal record of the day. Track team coach Mike Hodges was pleased.

"We are improving drastically as a team, and it looks like we will be very strong down the road heading into the championships," commented Hodges. "Mike Ti-

"We are improving drastically as a team and it looks like we will be very strong down the road heading into the championships... Mike Tierney, Kevin Buse, and Richie Taylor all came through with some outstanding performances for the team. That is what we need."

erney, Kevin Buse, and Richie Taylor all come through with some outstanding performance for the team. That is what we need."

They were impressive as Tierney outran the competition in the 800 meter run, winding up first with a time of 1:55.3. Buse won the 3,000 meter steeple chase with a time of 9:52.3, and Richie Taylor finished second in the triple jump to Clackamas strongman Steve Miller. Taylor jumped 46'2 1/2" while Miller moped up first

with a jump of 46'7 1/2".

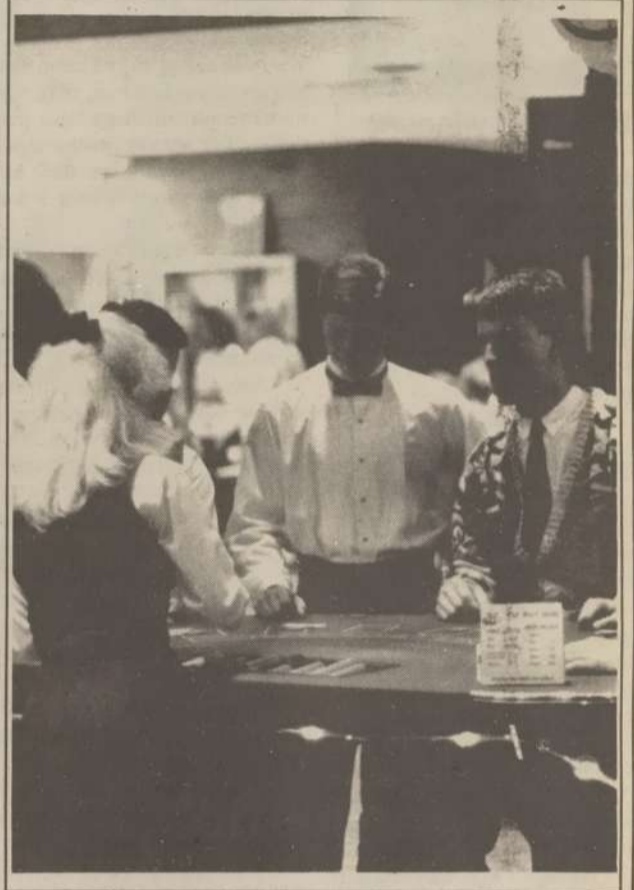

Three other first place victories found a spot on the shelf of a very hot Cougar team. David Bate jumped 6'6" in the high jump. Bob McCrumb ran 1500 meters in 4:02.2 to take the title. In the 5000 meter run, Tim Beardall tore up the track in 15:01.4 to win and Mike and Marc Paulson finished second and third respectively.

Once again Miller and Crane were on top of the heap in the long jump finishing first and second. Miller's jump of 21'6" edged out Cranes jump of 21'4 1/2". Winding out the men's scores with two more victories in the 400 meter men's team relay and 1600 meter men's team relay.

On the women's side of the track, Lorentson was herself finishing first in the 100 meter hurdles in 14.6 seconds (personal record). In the discus Jean-Maree Lillard tossed the discus 136'6" beating out Jen Chandler for first. Chandler took second with a heave of 115'1". In the 800 meter run, Angie Wright did it again in a time of 2:24.6 taking first place, and adding a personal record. In the shot put, Lillard was there again sending the shot sailing 42'6". The nearest competitor was Cougar star Chris Nysten with a toss of 38'2" and a second place finish. The only other strong finish for the Cougars was in the javelin. Chris Nysten took control wrapping up a first place victory throwing the javelin 151'11".

Thenext meet will be Saturday, April 14 at the Mt. Hood Relay. Make plans to see the Cougars take home a first place trophy as all the community colleges from Oregon will be there as well as most of the community colleges from Washington.

Gambling for a good cause

Season ending wrapup

by Robert Stubblefield
Contributing Writer

The women's basketball team wrapped up another very successful season in early March with a 4th place finish at the NWAACC tournament. Coach Phil Garver's Cougars went into the tourney as the favorite, but were tripped up in the first round by Green River CC.

They finished off the weekend by winning their next two games.

"We set out at the beginning of the season to win the NWAACC," said Garver. "We fell a little short, but we came out 30-3, and that's a record any team can be proud of," said Garver.

The Cougars ended the year averaging 92 PPG, and whipping their opponents by an average of 32 PPG.

A key to the Cougars success was good balance. Four of the five starters averaged in double figures. Angela Hewlett lead the team, with a 22 point average. Hewlett was named the league MVP, and a NWAACC all-star. Teammates Pember, and Alicia Stephenson, also were named all-stars, and J.J. Drennan received 2nd team honors.

Although the Cougars lose the entire starting line up next season, hopes for next year remain high. Expected to return are Jean-Marie Lillard, and Jenny Garner, who both saw a lot of action last year.
