

After two victories...

Hoopsters earn tie for 2nd

The Clackamas men's basketball team kept up their strong showing in NWAACC Southern Division play with two wins last week.

Last Wednesday, the Cougars overcame a poor first half with a powerful second half in defeating Portland Community College by the score of 91-82.

"We did not play very well in the first half, but I was real proud of what the kids did in the second half," Coach Royce Kiser commented. "David Hollingsworth and [Glen] Kiser both had great games, both on offense and defense, and Neil Delplanche continues to play very well for us at point guard."

Statistics for the CCC-PCC game were not available to the

Print at press time.

On Saturday, the Cougars parlayed a strong effort on the boards and 52 percent field goal shooting into a convincing 79-55 league victory over Lane Community College at Randall Hall.

"David Daniels played a great overall game, Delplanche had another great game at point, and David Hollingsworth was a 'monster' on the boards for us," Coach Kiser exclaimed. "But, the key to this win was probably our bench play. It was probably the best game that the entire bench has played this season."

Daniels scored 23 points on 9-15 shooting, including two 3-pointers; Glen Kiser scored 22 points on 8-12 from the floor; Rick Stevens had 10 points; Hollingsworth grabbed 10 re-

bounds to lead a 38-31 rebounding advantage, and Delplanche handed out four assists to lead the Cougars.

The two wins last week propelled the Cougars into a second place tie with Umpqua Community College in the race for seeding at the district tournament. The Cougars' league record stands at 7-3, and an overall record of 15-5.

"We were getting beat earlier in the season by little things, not rebounding, not getting back on defense, little things," Coach Kiser said. "But now we are taking care of the little things that you need to do to be successful. We're beating the teams that beat us earlier [in the season], and the close games that we had early in the season are turning into blowouts in our favor."

Ladies grasp two wins

by Brenda Hodgen
Sports Editor

Coach Phil Garver's team did exactly as planned last week when the lady hoopsters put a halt to losing and began a new winning streak defeating Portland Community College and Lane Community College.

"We just got together and started playing like a team again," explained Garver. "A lot of things happened last week, and a lot of attitudes changed. The girls just played really well."

Wednesday, the Cougars took to the road hammering PCC 98-44.

Launa Meck lead the team with 21 points and 8 rebounds, Karla Yoder came up with 13 points and 12 rebounds, Jenny Spilseth scored 12 points, hitting 4-6 at the foul line, and 10 rebounds, followed by Kayla Sjogren and Kristin Lyons who both finished with 11 points.

Saturday, the team hosted

Lane taking a second victory 91-85. Spilseth tipped the boards with 27 points, 9 rebounds and 5 assists. Close behind was Kathryn Muck with 20 points, 15 rebounds and 3 assists, sinking 6 of 7 free throws; and Meck with 16 points, 6 rebounds and 4 assists, striking 6-8 at the foul line.

"Last week we started acting as a team, our attitudes changed, and we worked together really well, explained Freshman Jennifer Fisher.

The ladies are currently in a solid fourth place in league, and looking ahead to tonight's game against Mt. Hood; the team is optimistic.

"If we play together as a team, and we all have a good game we can, no, we will win," expressed Lyons.

Fisher concluded, "We've taken 'em once, we can take 'em again!"

LOSE 20 POUNDS IN TWO WEEKS!

Famous U.S. Women's Ski Team Diet

During the non-snow off season the U.S. Women's Alpine Ski Team members used the "Ski Team" diet to lose 20 pounds in two weeks. That's right — 20 pounds in 14 days! The basis of the diet is chemical food action and was devised by a famous Colorado physician especially for the U.S. Ski Team. Normal energy is maintained (very important!) while reducing. You keep "full" — no starvation — because the diet is designed that way. It's a diet that is easy to follow whether you work, travel or stay at home.

This is, honestly, a fantastically successful diet. If it weren't, the U.S. Women's Ski Team wouldn't be permitted to use it! Right? So, give yourself the same break the U.S. Ski Team gets. Lose weight the scientific, proven way. Even if you've tried all the other diets, you owe it to yourself to try the U.S. Women's Ski Team Diet. That is, if you really do want to lose 20 pounds in two weeks. Order today. Tear this out as a reminder.

Send only \$10.00 (\$10.50 for Rush Service) - to: SlimQuik, P.O. Box 103, Dept. 2R, Hayden, ID 83835. Don't order unless you want to lose 20 pounds in two weeks! Because that's what the Ski Team Diet will do. © 1990
