## An Empty Tomb.

Makes you wonder how anyone could not believe!

More than Easter bunnies and colored eggs, Easter is the celebration of two historical events, the death and resurrection of Jesus of Nazareth. We believe Christ died for our sins and rose again. He conquered death and offers us forgiveness, peace with God, and eternal life.

But if the resurrection of Jesus is a hallucination, a hoax, or a myth, faith in Jesus Christ would be worthless and, as Paul the

Apostle, a follower of Christ, wrote, "Christians of all people, would be most pitied."

We have come to the conclusion that the resurrection of Jesus has been well-documented historically, and provides strong reasons for each of us to consider the truth of his claims for our lives. If you would like to know more, we invite you to talk with any one of us further about this.
